

WELCOME TO 2ND GRADE'S CURRICULUM NIGHT

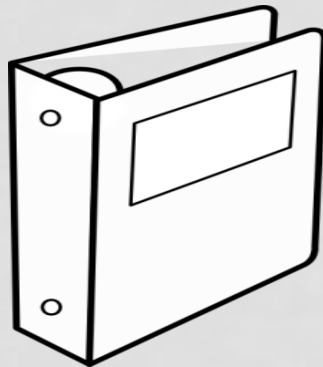

STUDENTS WILL HAVE TWO CLASSROOMS AND TWO TEACHERS.

- Mrs. Biella teaches Reading, Writing, and Social Studies.
- Mrs. Brown teaches Math and Science.
- Mrs. Teagarden teaches Reading, Writing, and Social Studies.
- Mrs. Sharifian teaches Math and Science. (Substitute until end of October)

BINDERS AND AGENDA

- Students will write down homework, test dates, and other important information down in their agenda/planner.
- We will put all agendas/planners in a binder that goes home each night.
- Student behavior will be tracked in the binder.
- Parents, please sign it nightly.

BEHAVIOR MANAGEMENT

- Students receive positive notes, and earn privileges for on task behavior.
- Mrs.Biella and Mrs.Brown offer STAR tickets for good behavior.

CONSEQUENCES FOR BEHAVIOR

- 1. Students will be given a warning.
- 2. Students will earn a number written in their agenda.
- 3. Family will be contacted.
- 4. Students will get a checkmark on their behavior sheet.
- 5. If a student has 4 or more check marks in one area, they will receive an indicator on their report card.

7 MINDSETS

This year our school is embarking on the 7 Mindsets.

1. Everything is Possible
2. Passion First
3. We are Connected
4. 100% Accountable
5. Attitude of Gratitude
6. Live to Give
7. The Time is Now

HOMEWORK

- Students will have a reading log with comprehension questions due each Friday.
- Students will have a math problem each day. It is due each day.
- If students are absent on Friday, they can turn in their homework on Monday.
- If students do not turn in their homework, they will get a check mark on their behavior sheet.

COMMUNICATION

- We will communicate with you via:
- Weekly newsletters
- Email updates
- Notes home
- Phone calls (if necessary)

ELA

The components of ELA include:

- Whole Group Word Work
- Whole Group Reading
- Whole Group Writing
- Small Group Teacher-Led Instruction
- Small Group Independent

READING

- Florida's B.E.S.T Standards for Reading
- Curriculum used includes Wonders, I-ready, SIPPS, and other supplemental resources
- Students will read a variety of texts to practice decoding, fluency, vocabulary, and comprehension skills.

WRITING

Students will use a variety of writing routines:

- Plan writing
- Write a draft to include a topic sentence, details, and a closing sentence
- Revise/Peer conference
- Edit (capitals, punctuation, spelling)
- Publish/Present

First quarter will focus on one complete paragraph and second quarter we'll move into multiple paragraphs.

MATH CURRICULUM

- We use EnVision by Pearson Math books, I-Ready lessons, and other supplemental resources.
- Our standards are broken up into 4 domains:
 - 1. Operations and Algebraic Thinking
 - 2. Numbers and Operations in Base Tens
 - 3. Measurement and Data
 - 4. Geometry
- The students will take a Math Monthly assessment that will be based on prior units.
- The students have a data log in their binder to track their test scores.

MATH TOPICS/UNITS

- Building fluency within 20
- Adding and Subtracting within 1,000
- Problem Solving within 1000
- Recognize and draw shapes
- Data and graphing
- Time
- Comparing 3 -digit numbers
- Estimate and measure length
- Money
- Equal groups
- Partition shapes

SCIENCE STANDARDS AND TOPICS

- Follows the Next Generation Sunshine State standards
- Students will learn about
 1. Nature of science
 2. Forces and Motion
 3. States of Matter
 4. Weather
 5. Earth's structures
 6. Human Body
 7. Life Cycles
 8. Habitats/basic needs

SCIENCE

- Design Challenge Monday: students will have a challenge and they will need to build/create a solution.
- Hands on learning through investigations and experiments
- Long Term Investigations
- Science Olympics – paper airplanes.

SOCIAL STUDIES

- Unit 1: Good Citizens
- Unit 2: People Form Governments
- Unit 3: American Founders
- Unit 4: Hispanic Heros
- Unit 5: Maps and Globes
- Unit 6: Honoring Veterans
- Unit 7: Native Americans
- Unit 8: Colonial Life
- Unit 9: Heroes and History Makers
- Unit 10: Immigration
- Unit 11: Symbols of America
- Unit 12: Past and Present
- Unit 13: Economics

THANK YOU!!!

- We are looking forward to a wonderful school year!!!
- Please contact your child's teacher with any questions or concerns.
