Title: The Law and COVID-19

Summary

Over the past year, throughout the life-changing pandemic, many law makers have stepped up to help people within Florida and the U.S. as a whole. This piece explores the student’s perspective of managing the changing rules, procedures and laws that the corona-virus causes.

1st Place
High School

Elena Hangen
11th Grade Student

Optional Description of Artwork

Art Medium: Colored Pencil and Pen

Title: Unified Differences

Summary

This piece represents the diversity of the U.S. unified under the rule of law. Different cultures and ethnicities are shown in front while the back is filled with many of the Amendments. Overall, this piece symbolizes that everyone needs to follow the law, no matter their race or origin.
