LEVEL UP!

Start With HELLO! Week September 18-22

Start with Hello! is a national awareness campaign dedicated to creating a sense of belonging among youth by helping them make new social connections. As a school, we want to emphasize the three steps on how students can recognize, intervene, and help other students who may feel isolated. Check out the following ways to support our students and school!

Monday September 18th: Start with Hello! Pledge: Students will read/write/sign the Start with Hello! Pledge. In addition, teachers and students will wear name tags, so they can say “hello” by name!

Tuesday September 19th: Building Connections: Students will write kind words about students/staff on the paper chain and connect them as a class.

Wednesday September 20th: Positive Conversation: Students will be provided questions and topics to create positive conversations with staff and other students.

Thursday September 21st: Promise to Be Kind Compliment/positivity door will spread kindness throughout our school. Students will write compliments or draw pictures to other classmates/students and place it on the door.

Friday September 22nd: GREEN DAY: Everyone wears green in support of Start with Hello! Week.

Morning Arrival

The front of school is for visitor parking only. This is not a drop off area. Due to the heavy traffic on Kingsway Road, it can be hazardous pulling into and out of this parking area.

If you live more than two miles from the school, we would like to suggest checking into your child riding the school bus. You can locate the bus schedules on the school district website at hillsboroughschools.org.

Students should arrive on campus no later than 7:35 to be in the classroom and seated before the bell rings at 7:40.

Stay Connected

We will communicate our most up-to-date information and reminders through text and email using the District’s Parent-link communication system. It is very important that you make sure your cell phone number and email address are current in order to receive these messages. If you are not receiving messages, please contact the office for assistance.

Thursday, September 28
from 5 p.m.—8 p.m.

15 percent of all pre-tax sales will be donated to our school!

Birthday Celebration

Treats may be sent in to celebrate your child’s birthday during lunch if you have made prior arrangements with the teacher. Any food items must be store bought. Please remember, due to latex allergies and the distraction they can cause in the classroom, balloons of any kind are not permitted in school

Fall Fast Progress Monitoring 1 Assessment

Your child will be taking the Fall FAST Progress Monitoring 1 assessment in Math next week. Results will be available soon after their test is completed.

To help prepare your child for these tests, make sure they get a good night's sleep, eat breakfast, and are reminded not to rush.

Contact your child's teacher if you have any questions.
