2024-2025 School Year

Instructional program for Pre-K children!

Eligible children must turn four years old by September 1, 2024 and not previously participated in a VPK program.

Note that NO transportation will be provided and HOST, our after school program, does not accept 4-year old students.

School Safety is our Priority!

The State of Florida developed the "FortifyFL" app where students can report suspicious activities instantly to the appropriate law enforcement agencies and school officials.

If you do not have access through your phone or a computer, please let your child's teacher know and we will provide a printed copy for your family. Your information goes to:

- **Your School Officials:** The tip report goes to your local school officials when submitted.
- **Local Law Enforcement:** Your local police department or sheriff office receive copies of your tips automatically.
- **Site-Level Officials:** Site-level officials also have access to your tips to make sure proper steps are taken.
