2024 GREAT AMERICAN TEACH-IN

It's not too late!!!!

Parents, community members, and friends of Yates Elementary School, we will be having our annual Great American Teach-In, on Friday, November 22, 2024. We are looking for volunteers to present in the classroom, either for a few hours or all day, in our community-wide effort to increase our students' knowledge about careers for their future.

Teaching experience is not needed, just enthusiasm and a desire to share your career and experiences with our students. Throughout this experience, we hope you carry some key messages into our classrooms, including the importance of staying in school and the value of each individual student.

The Great American Teach-In is a perfect opportunity for parents, business leaders, and community members to help our students explore the wide variety of career choices they can choose for their future. With all being said, we would love to have you speak to our students on November 22, 2024, about your experiences in your career field!

If you are interested in speaking at our annual Great American Teach-In, please contact your child's teacher to sign-up..

You won't regret your decision to be a volunteer teacher during **The Great American Teach-In!**

Holiday Assistance

The holidays are fast approaching!

Are you in need of assistance for Christmas?

Thanks to the generous donations from local organizations, a limited number of families in need can receive holiday assistance. Reach out to Ms. Rojas at 813-744-8177 if you would like to be considered for assistance.

Don't delay, as this is first come, first serve. All requests need to be received by December 3.

We want all our Eaglet families to have a wonderful holiday season.

Yates Families

Our community is comprised of a diverse population. As we approach the holiday season, contact your child's teacher if your child is not allowed to participate in holiday activities.
