We Need Your Help!

A successful school day begins when students are on time ready to learn. Our gates open at 7:10 each morning and close at 7:40 when the bell rings. **Students need to be in their seats at 7:40.** When planning your morning, it is best to arrive at school no later than 7:35 to give your child time to get to class. When students are late, they are missing out on instructional time. Help us help your child be successful by getting them here on time each day!

Join us for our 1st SAC meeting of the year!

August 29th at 6:00 p.m. via TEAMS

If you have any questions, or need the link to attend, please message our SAC Chair Mrs. Thomas at katie.thomas@hcps.net

School Pictures

School pictures have been scheduled for **Thursday, September 7**. This picture will be used for the 2023-24 student yearbook. Envelopes are being sent home today.

ALL PICTURES MUST BE PREPAID. Checks should be made payable to "Strawbridge". All students will have their picture taken for school records.

Pictures are a school fundraiser.

This is a great opportunity to support your school.

Morning Arrival

The front of school is for visitor parking only. This is not a drop off area. Due to the heavy traffic on Kingsway Road, it can be hazardous pulling into and out of this parking area.

If you live more than two miles from the school, we would like to suggest checking into your child riding the school bus. You can locate the bus schedules on the school district website at hillsborough-schools.org.

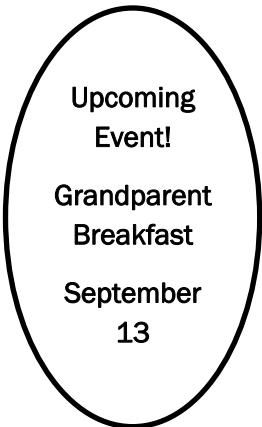

Students should arrive on campus no later than 7:35 to be in the classroom and seated before the bell rings at 7:40.

Cell Phone Policy

Please help our students focus on their learning.

Cell phones are not to be on or used during school hours. Cell phones should be left out of sight.

Child Not Feeling Well?

If your child is not feeling well, please keep them at home and call the attendance line. That number is (813) 744-8177 ext. 1.

If your child contracts COVID, please follow the CDC guidelines regarding quarantine.

The following websites are valuable resources of information for our school community:

Let's work together to provide a healthy learning environment for all students and staff.
