Trick or Trash!

Keeping Our Earth Clean Through Recycling!

We will be collecting Halloween candy wrappers. Within each grade level, you will collect as many candy wrappers as you can from NOW to November 4th. We will weigh each grade levels wrappers to see who has the most mass. The winning grade will get a Pop and Play 15 minute party outside!

Let's get this competition underway! This is a fun way to get student involvement to reduce the impact Halloween wrappers have on the landfill and our Earth!

Character Trait: Fairness

This month Yates is focusing on the hard character trait-

fairness. Fairness is demonstrating impartial, unbiased, and equitable treatment of others. You give up personal interests, prejudice and favoritism. Fairness is defined by some as little more than “playing by the rules” and not taking advantage of others. It is challenging to learn how to handle it when life isn’t always fair!!

Partner with us to help your child grow in fairness as we embrace others views.

Class Pictures

Class pictures were taken on Thursday, October 20. If you forgot to purchase a picture of your child’s class, the cost is \$12. You can request an envelope from the office, complete it, and include the payment. The last day to make a purchase will be Friday, October 28.
