Newsletter Date: August 2022

Dear Armwood Students, Parents, and Guardians,

As the principal at Armwood High School, it is my pleasure to welcome everyone back for another great school year. We are all excited to have students "Join THE hunt" as we strive to reach all our goals this year. We look forward to having students back in our classrooms and hallways filling them with energy and enthusiasm for learning. It is our mission to help every child feel welcomed, connected, and a part of the Armwood family. Additionally, we strive to challenge each student to grow in his or her academic abilities and to be college/career ready by the end of four years. It is our belief that all students should graduate from high school prepared for the demands of postsecondary education, meaningful careers, and effective citizenship. Our teachers and staff will continue to strive to teach students consistent school expectations, acknowledge when students act responsibly, and re-teach expectations to encourage success. This year we will focus on the Armwood 4 (**Hawks are Responsible, Respectful, Safe and Learners**) as we implement new policies.

Some changes to policies include:

- ⇒ New Sign-In/ Sign-Out Procedures
- ⇒ Tardy and Skipping Procedures
- ⇒ Cell Phone Policy
- ⇒ New Armwood Family Connection Page on Canvas

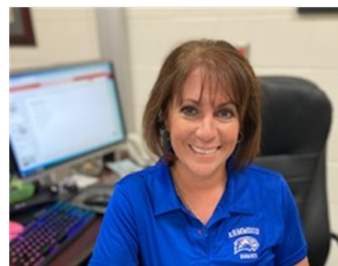

Details regarding procedures and all of these policies can be found in our school newsletter as well as on our website and our new Armwood Family Connection page on Canvas. All information that we send out via email can also be found on this site. Our quarterly newsletter will be sent out to parents each nine weeks and will also be available on our website and the Armwood Family Connection Page on Canvas. We have also entered dates for all sporting events and holidays in our newsletter.

I am honored to serve as the principal of Armwood High School. It is truly a privilege to be a part of a community where parents, teachers, and students care for each other and strive to build positive relationships that support academic and social growth. Please feel free to contact me at 813.744.8040 should you have concerns or ideas to positively support our campus.

Once again, welcome back! Let's all "JOIN THE HUNT" towards another great year at Armwood together!

Sincerely,

Dina Langston
Armwood High School Principal

IMPORTANT NOTICE TO ALL PARENTS AND STUDENTS

State Law requires that students, 14 to 18 years of age, who have not earned a high school diploma, who have 15 unexcused absences in any period of 90 calendar days, be *ineligible* for driving privileges. These absences *do not* have to be in succession. School districts are required by this legislation to report to the State of Florida Department of Highway Safety and Motor Vehicles (DHSMV), the names of students who have accumulated 15 unexcused absences in any period of 90 calendar days. Effective January 5, 1999, students who accumulate 15 unexcused absences in any period of 90 calendar days will be reported by the school to the DHSMV. The student who is reported will be informed by the DHSMV that his/her name has been received and he/she may lose the privilege to drive. Should a student be contacted by DHSMV with information, he/she may initiate a request for a hardship waiver or a request for reinstatement of driving privilege through the Office of Student Affairs. Students who fall under this initiative must surrender their parking decal and find alternative means of transportation, i.e., bus rider or parent drop off.

Attendance

All students are expected to be in their first period class by 8:40 a.m. If a student is absent for the day, a parent must call the attendance line at **744-8040 option #1** and follow the voice prompts for leaving a message to excuse the absence by 10:00a.m. Acceptable excuses for absences are covered in the student handbook available at <http://www.sdhc.k12.fl.us/assets/pdf/studenthandbook.pdf>. Parents will still receive a phone call whether excused or unexcused.

Student Code of Conduct

District's Policy Manuel

Students and families, please visit the District's Student Code of Conduct. You can find it in our Armwood High School Website or using the link below.

[Student Code of Conduct - Welcome - Hillsborough County Public Schools \(sdhc.k12.fl.us\)](https://sdhc.k12.fl.us)

Respect for law and for those persons in authority shall be expected of all students. This respect includes conformity to school rules as well as general provisions of law affecting students. Respect for the rights of others, consideration of their privileges, and cooperative citizenship shall also be expected of all members of the school community.

Respect for real and personal property; pride in one's work; achievement within the range of one's ability, and exemplary personal standards of courtesy, decency, and honesty shall be maintained in the schools of this District.

The Board has zero tolerance for conduct that poses a serious threat to school safety. Zero tolerance policies must apply equally to all students, and are not intended to be rigorously applied to petty acts of misconduct and misdemeanors. This zero tolerance policy does not require the reporting of petty acts of misconduct and misdemeanors to a law enforcement agency, including, but not limited to disorderly conduct, disrupting a school function, simple assault or battery, affray, theft of less than \$300, trespassing, and vandalism of less than \$1,000. The District will seek to use alternatives to expulsion or referral to law enforcement agencies unless the use of such alternatives will pose a threat to school safety.

The District shall enter into agreements with local law enforcement specifying procedures for ensuring that acts that pose a serious threat to school safety, whether committed by a student or adult, are reported to a law enforcement agency.

Students may be subject to discipline for violation of the Code of Student Conduct even if that conduct occurs on property not owned or controlled by the Board but that is connected to activities or incidents that have occurred on property owned or controlled by the Board. Students also may be subject to discipline for conduct that, regardless of where it occurs, is directed at a Board official or employee or the property of such official or employee.

Student conduct shall be governed by the rules and provisions of the Code of Student Conduct. This Code of Student Conduct shall be reviewed annually.

As we begin the 2022-2023 school year, it is important that all parents and students understand eligibility requirements for extracurricular participation. If you have any questions about student eligibility, please contact your student's guidance counselor, coach or our athletic department. Bus Assignment Letter or Newsletter Notification

Dear Parent:

The safety of students is the number one priority of the Transportation Department. Students living two or more miles from the assigned school and exceptional education students with specialized transportation need to qualify for transportation services according to state statute. Students living within two miles may qualify for transportation due to hazardous walking conditions as defined by the State.

Students who are eligible for pupil transportation services are assigned to a specific bus and stop. Students must use the bus stop of record that coincides with their residence and are not authorized to ride other buses. Parent notes authorizing a student to ride a different bus are not accepted. Requests due to a family hardship or emergency situation must be submitted to a school administrator for approval by the principal and the General Director of Transportation or designee.

If a student boards at an unauthorized stop or on an unauthorized bus, the driver will notify a school administrator who will contact the parent. If the student continues unauthorized boarding, a disciplinary referral will be submitted to the school administration.

Principal

La seguridad de los estudiantes es la prioridad número uno del Departamento de Transporte. Los estudiantes que viven a dos o más millas de la escuela asignada y los estudiantes de educación excepcional con transporte especializado necesitan calificar para los servicios de transporte de acuerdo con el estatuto estatal. Los estudiantes que viven dentro de dos millas pueden calificar para el transporte debido a condiciones peligrosas para caminar según lo definido por el estado.

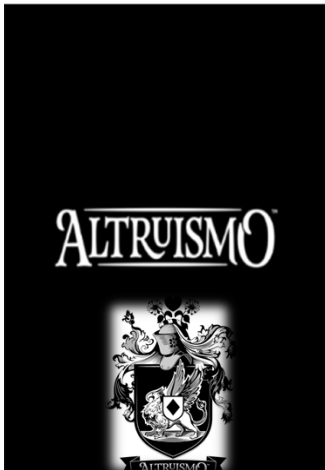

Los estudiantes que son elegibles para los servicios de transporte de alumnos son asignados a un autobús y parada específicos. Los estudiantes deben utilizar la parada de autobús de registro que coincide con su residencia y no están autorizados a viajar en otros autobuses. No se aceptan notas de los padres que autoricen a un estudiante a viajar en un autobús diferente. La solicitud debido a una situación de dificultad familiar o emergencia debe presentarse a un administrador de la escuela para su aprobación por el director y el Director General de Transporte o la persona designada.

Si un estudiante aborda en una parada no autorizada o en un autobús no autorizado, el conductor notificará a un administrador de la escuela que se comunicará con el padre. Si el estudiante continúa internado no autorizado, se enviará una referencia disciplinaria a la administración de la escuela.
