*Janet Richards, Adult School Counselor*

*Layne Spotts, School Counselor, Jefferson High School*

*Louan Tolbert, Retired School Counselor*

*Angelique Xenick, Supervisor, School Counseling Services, High School*

# Standard Diploma Requirements

## Academic Advisement – What Students and Parents Need to Know

### What are the diploma options?

Students must successfully complete one of the following diploma options:

- 24-credit standard diploma
- 18-credit Academically Challenging Curriculum to Enhance Learning (ACCEL)
- Career and Technical Education (CTE) Pathway
- Advanced International Certificate of Education (AICE) curriculum
- International Baccalaureate (IB) Diploma curriculum

### What are the state assessment requirements?

Students must pass the following statewide assessments:

- Grade 10 English Language Arts (ELA) or a concordant score
- Algebra 1 end of course (EOC) or a comparative score

Refer to [Graduation Requirements for Florida's Statewide Assessments](#) for concordant and comparative scores.

Students enrolled in the following courses must participate in the corresponding EOC assessment, which constitutes 30 percent of the final course grade<sup>+</sup>:

- Algebra 1
- Geometry
- Biology 1
- U.S. History

<sup>+</sup>Special note: Thirty percent not applicable if not enrolled in the course but passed the EOC (credit acceleration program [CAP]).

### What is the difference between the 18-credit ACCEL option and the 24-credit option?

- 3 elective credits instead of 8
- Physical Education is not required
- Online course is not required

### What is the difference between the CTE Pathway option and the 24-credit option?

- At least 18 credits are required
- 4 elective credits instead of 8
  - 2 credits in CTE courses, must result in completion and industry certification
  - 2 credits in work-based learning programs or up to 2 elective credits including financial literacy
- Physical Education is not required
- Fine and Performing Arts, Speech and Debate, or Practical Arts is not required
- Online course is not required

### 24 Credit Standard Diploma

4 Credits ELA
<ul style="list-style-type: none"> <li>• ELA 1, 2, 3, 4</li> <li>• ELA honors, Advanced Placement (AP), AICE, IB and dual enrollment courses may satisfy this requirement</li> </ul>
4 Credits Mathematics*
<ul style="list-style-type: none"> <li>• One of which must be Algebra 1 and one of which must be Geometry</li> <li>• Industry Certifications that lead to college credit may substitute for up to two mathematics credits (except for Algebra 1 and Geometry)</li> <li>• An identified computer science** credit may substitute for up to one mathematics credit (except for Algebra 1 and Geometry)</li> </ul>
3 Credits Science
<ul style="list-style-type: none"> <li>• One of which must be Biology 1, two of which must be equally rigorous science courses</li> <li>• Two of the three required course credits must have a laboratory component</li> <li>• Industry Certifications that lead to college credit may substitute for up to one science credit (except for Biology 1)</li> <li>• An identified computer science** credit may substitute for up to one science credit (except for Biology 1)</li> </ul>
3 Credits Social Studies
<ul style="list-style-type: none"> <li>• 1 credit in World History</li> <li>• 1 credit in U.S. History</li> <li>• 0.5 credit in U.S. Government</li> <li>• 0.5 credit in Economics</li> </ul>
1 Credit Fine and Performing Arts, Speech and Debate, or Practical Arts*
1 Credit Physical Education*
<ul style="list-style-type: none"> <li>• To include the integration of health</li> </ul>
8 Elective Credits
1 Online Course
<p>Students must earn a 2.0 grade point average (GPA) on a 4.0 scale for all cohort years and pass statewide, standardized assessments unless a waiver of assessment results is granted by the IEP team for students with disabilities.</p>

\* Eligible courses are specified in the [Florida Course Code Directory](#).

\*\*A computer science credit may not be used to substitute for both a mathematics and science credit.

### Scholar Diploma Designation

In addition to the requirements of section (s.) [1003.4282](#), Florida Statutes (F.S.), a student must satisfy the following requirements (per. s. [1003.4285](#), F.S.):

- Earn 1 credit in Algebra 2 or an equally rigorous course
- Pass the Geometry EOC
- Earn 1 credit in Statistics or an equally rigorous mathematics course
- Pass the Biology 1 EOC\*
- Earn 1 credit in Chemistry or Physics
- Earn 1 credit in a course equally rigorous to Chemistry or Physics
- Pass the U.S. History EOC\*
- Earn 2 credits in the same World Language
- Earn at least 1 credit in an AP, IB, AICE or a dual enrollment course

\*A student is exempt from the Biology 1 or U.S. History EOC assessment if the student is enrolled in an AP, IB or AICE Biology 1 or U.S. History course; takes the respective AP, IB or AICE assessment; and earns the minimum score to earn college credit.

### Merit Diploma Designation

- Meet the standard high school diploma requirements
- Attain one or more [industry certifications](#) from the list established (per s. 1003.492, F.S.)

### What are the additional graduation options for students with disabilities ?

Two additional options are available only to students with disabilities. Both allow students to substitute a CTE course with related content for one credit in ELA 4, mathematics, science and social studies (excluding Algebra 1, Geometry, Biology 1 and U.S. History). The two options are as follows:

- Students with significant cognitive disabilities may earn credits via access courses and be assessed via an alternate assessment.
- Students who choose the academic and employment option must earn at least 0.5 credit via paid employment.

### What is the CAP?

The CAP allows a student to earn high school credit if the student passes an AP examination, a College Level Examination Program (CLEP) or a statewide course assessment without enrollment in the course. The courses include:

- Algebra 1
- Geometry
- Biology 1
- U.S. History

### State University System (SUS)

Admission into Florida's public universities is competitive. Prospective students should complete a rigorous course of study in high school and apply to more than one university to increase their chance for acceptance. To qualify to enter one of Florida's public universities, a first-time-in-college student must meet the following minimum requirements (credit earned by industry certification does not count for SUS admission):

- High school graduation with a standard diploma, a minimum of a 2.5 GPA, and admission test scores meeting minimum college-ready test scores per Board of Governors (BOG) Regulation 6.008
- 16 credits of approved college preparatory academic courses per BOG Regulation 6.002
- 4 English (3 with substantial writing)
- 4 Mathematics (Algebra 1 level and above)
- 3 Natural Science (2 with substantial lab)
- 3 Social Science
- 2 World Language (sequential, in the same language or other equivalents)
- 2 approved electives

[State University System of Florida](#)

### The Florida College System

The 28 colleges of the Florida College System serve nearly 800,000 students. Colleges offer affordable and stackable workforce credentials including certificate programs, associate in science degrees and associate in arts degrees, which transfer to a bachelor's degree program. Many colleges also offer workforce bachelor's degree programs in areas of high demand. All Florida College System institutions have open-door admissions for students who earned a standard high school diploma or an equivalent diploma or successfully earned college credit.

[Florida College System](#)

### Career and Technical Colleges and Centers

Florida also offers students 49 accredited career and technical colleges or centers throughout the state, which provide the education and certification necessary to work in a particular career or technical field. Programs are flexible for students and provide industry-specific education and training for a wide variety of occupations.

[Career and Technical Education Directors](#)

### Where is information on financial aid located?

The Florida Department of Education's Office of Student Financial Assistance administers a variety of postsecondary educational state-funded grants and scholarships.

Required Bright Futures test scores for the class of 2023 and beyond are subject to change with new legislation.

Revised 9/2021

# Community Service Guidelines

## Florida Academic Scholars Award, Florida Medallion Award, Gold Seal Vocational Award: Bright Futures

To access an award through the Bright Futures Program, a student must complete a program of community service work, as approved by the school, which will require the student to identify a social problem that interests him or her, develop a plan for his or her personal involvement in addressing the problem, and through papers or other presentations, evaluate and reflect upon his or her experience. (Florida Statute 1009.534)

**Community Service** is defined as identifying and addressing a social issue in the community. This requires students to look beyond themselves and reach out to an issue faced by our society today (i.e. poverty, abuse, elderly citizen, homelessness). These hours will meet the requirement for the Florida Bright Futures Award Program.

**Volunteer Service** is defined as assisting where needed and does not necessarily address a social issue. Although these hours are **not** recorded on the transcript, *students can keep a log of these activities* for use when applying for college, job applications, awards and scholarships **other** than Bright Futures.

Florida Academic Scholarship - **100** hours of community service

Florida Medallion Scholarship - **75** hours of community service

Florida Gold Seal Vocational Scholarship - **30** hours of community service

Florida Gold Seal CAPE Scholarship - **30** hours of community service

profferfish™

**The way students, counselors and parents access and log community service hours is changing. Students are now encouraged to use the Community Service Ecosystem— Profferfish, an innovative online platform which will change student community service from a reactive process to a proactive journey, and best of all, it's FREE to all Hillsborough County Public School students!**

- At the start of the 2020-2021 school year, **all high schools** in Hillsborough County Public Schools will be using the Profferfish platform for all Community Service needs.
- Our district will keep School Counselors, students, and families updated when the Bright Futures state office makes decisions about virtual volunteer opportunities and requirements due to the COVID-19 pandemic.**
- To create an account, log in your hours and search for future volunteer opportunities, view the [quick start guide \(Spanish\)](#) or visit [profferfish.com](http://profferfish.com).
- As always, do not hesitate to reach out to your School Counselor for support or designee.
- Projects done during the summer before beginning 9th grade will be considered **if a proposal is submitted and approved by the high school the student plans to attend.**
- Students must perform the service during non-school hours.
- Fundraising may count as community service if all funds raised are donated to address a social issue in the community.
- Service-Learning projects may count as community service if preapproved by the Community Service Designee.
- All community service hours/documentation MUST be submitted by the school's graduation date.**
- Any community service hours submitted after the graduation date even if earned prior to graduation will not be accepted. No Exceptions.**
- A parent/guardian cannot represent as a service agency.**
- Community Service hours will be capped at eight hours per day.**

### Hours That Are Not Acceptable

Family related activities.

- Hours that are compensated either financially or with some other material benefit.
- Court mandated community service.
- Service for the sole benefit of a religious house of worship and/or its congregation.
- Co-curricular activities that are course requirements.
- An activity where there is no leader or responsible adult on site to evaluate and confirm student performance.
- Donations (ex. blood, Locks of Love)
- Hours submitted after graduation.
- Fostering of animals
- Hours performed overnight at camps or designated events (exception of Relay for Life).

## Adult and Career Services Center – Student Services Adult Education Career Pathways

One-Stop Shop Promoting Education & Training Opportunities  
Bridging the Gap between Adult Education, Postsecondary Training, and the Workforce

Educational career counseling and academic advising is available for free to assist students with enhancing their knowledge along with an alignment of resources to meet education and career objectives. Financial aid assistance, grant and agency funding resources are available.

### Adult Education Programs

- ❖ Adult Basic Education (ABE)
- ❖ High School Credit
- ❖ General Education Diploma (GED)
- ❖ English for Speakers of Other Languages (ESOL)
- ❖ Family Literacy

Career Pathways for the Adult Education student provides career development standards, digital literacy, and workforce preparation activities designed to be integrated in the ABE, GED, and ESOL curriculum.

### Technical College Programs

- ❖ Apprenticeship
- ❖ Business & Marketing Mgt
- ❖ Early Childhood Education
- ❖ Health Science
- ❖ Hospitality & Tourism
- ❖ Industrial Trade & Manufacturing
- ❖ Information Technology
- ❖ Public Service

Career Pathways for the potential Technical College student provides support services for students to transition into postsecondary education, apprenticeship programs and the workforce. Students learn to locate resources, navigate, organize, and plan for their educational and career goals

Use QRC code to send Request for Information form to be contacted by an ACSC Student Services Counselor/Advisor

# Official SAT® Practice with Khan Academy®

It's FREE

- Go to [satpractice.org](https://satpractice.org) and create a free account.
- Get personalized recommendations
- Link your Khan Academy account to your College Board account to import past SAT Suite results or take diagnostic quizzes to get personalized recommendations.
- Create a study plan. Select a test date and set up a practice schedule.

## Free ACT Test Prep

Test your knowledge with free prep from

the makers of the ACT test.

- Free Practice Test and Study Guide
- Free ACT Official Online Practice Test
- Free Online Test Prep and Events
- Free ACT Prep Sample Classes

Visit [www.act.org](https://www.act.org) and scroll down to click “Test Prep”. Then choose “Get Free ACT Test Prep” at the bottom of the page.

Students who register to take the ACT with a test fee waiver also gain access to the Official ACT Prep Course (powered by Kaplan). Details on the fee waiver.

# Senior Checklist

## August

- Complete college research & make a final list of four or more to which you plan to apply
- Gather college application information
- Determine application options (early decision, early action, or regular decision)
- Begin essays for college applications
- Register for SAT, ACT, and/or SAT subject tests as applicable; be aware of registration deadlines!
- Meet with college representatives who are visiting your school in person or via Zoom (see your school counselor for schedule)
- Apply for applicable scholarships
- Submit community service hours completed over the summer via Profferfish
- View Scholarship Matrix on district website or pick up from your school counselor

## September

- Pick up the State University System (SUS) College Admissions Requirement Matrix from your school counselor
- Attend a Pasos al Futuro (College & Financial Aid Meeting in Spanish) various dates throughout the year see: <https://www.hillsboroughschools.org/domain/2945> for complete schedule
- View Scholarship Matrix on district website or pick up from your school counselor
- Gather letters of recommendations
- Continue to work on essays for college applications
- Register for SAT, ACT, and/or SAT subject tests as applicable; be aware of registration deadlines!
- Meet with college representatives who are visiting your school in person or via ZOOM (see your school counselor for schedule)
- Apply for applicable scholarships
- Work on completing college applications
- Check with your school counselor or JROTC regarding the ASVAB exam date at your school if you are interested in the military or want to take a career interest inventory test
- Continue to submit community service hours via Profferfish

## October

- Meet with college representatives who are visiting your school in person or via ZOOM (see your school counselor for schedule)
- View Scholarship Matrix on district website or pick up from your school counselor
- Apply for applicable scholarships
- Continue completing college applications
- Continue to submit community service hours via Profferfish
- Register for SAT, ACT, and/or SAT subject tests as applicable; be aware of registration deadlines!
- Apply for Florida Financial Aid (Bright Futures) at [www.floridastudentfinancialaidsg.org/home/ApplyHere](http://www.floridastudentfinancialaidsg.org/home/ApplyHere)
- Apply for Financial Aid at [www.fafsa.gov](http://www.fafsa.gov)
- Attend Pasos al Futuro (College & Financial Aid Meeting in Spanish) various dates throughout the year see: <https://www.hillsboroughschools.org/domain/2945> for complete schedule

## November

- Meet with college representatives who are visiting your school in person or via ZOOM (see your school counselor for schedule)
- View Scholarship Matrix on district website or pick up from your school counselor
- Apply for applicable scholarships
- Continue completing college applications
- Continue to submit community service hours
- Register for SAT, ACT, and/or SAT subject tests as applicable; be aware of registration deadlines!
- Apply for Hillsborough Education Foundation Scholarships
- Attend Pasos al Futuro (College & Financial Aid Meeting in Spanish) various dates during the year see: <https://www.hillsboroughschools.org/domain/2945> for complete schedule

# Senior Checklist Continued

## December

- Register for SAT, ACT, and/or SAT subject tests as applicable; be aware of registration deadlines!
- Complete & submit college application materials
- View Scholarship Matrix on district website or pick up from your school counselor
- Apply for applicable scholarships
- Continue to submit community service hours via Profferfish
- Attend Pasos al Futuro (College & Financial Aid Meeting in Spanish) various dates during the year see: <https://www.hillsboroughschools.org/domain/2945> for complete schedule

## January

- Attend Hillsborough Technical Colleges ZOOM info sessions and complete applications
- Register for SAT, ACT, and/or SAT subject tests as applicable; be aware of registration deadlines!
- Complete & submit college application materials
- View Scholarship Matrix on district website or pick up from your school counselor
- Apply for applicable scholarships
- Continue to submit community service hours via Profferfish
- Attend Pasos al Futuro (College & Financial Aid Meeting in Spanish) various dates during the year see: <https://www.hillsboroughschools.org/domain/2945> for complete schedule

## February/March

- Attend the NACAC College Fair in Tampa (possibly via Zoom)
- Check the status of your financial aid awards by accessing your online college accounts
- If needed contact the college's financial aid office to determine if additional financial aid documents are required
- Update the FAFSA with new tax information if needed
- Apply for housing and pay deposits as applicable (dates may vary)
- Schedule college orientation sessions (dates may vary)
- Register for SAT or ACT, if scores still needed for Bright Futures, etc.; be aware of registration deadlines!
- View Scholarship Matrix on district website or pick up from your school counselor
- Apply for applicable scholarships
- Continue to submit community service hours via Profferfish
- Attend Pasos al Futuro (College & Financial Aid Meeting in Spanish) various dates during the year see: <https://www.hillsboroughschools.org/domain/2945> for complete schedule

## April

- Check the status of your financial aid awards by accessing your online college accounts
- Schedule college orientation sessions (dates may vary)
- Register for SAT or ACT, if scores still needed for Bright Futures, etc.; be aware of registration deadlines!
- View Scholarship Matrix on district website or pick up from your school counselor
- Apply for applicable scholarships
- Continue to submit community service hours via Profferfish
- Attend Pasos al Futuro (College & Financial Aid Meeting in Spanish) various dates during the year see: <https://www.hillsboroughschools.org/domain/2945> for complete schedule

## May

- Commit to the college that you will attend and pay deposits as applicable
- Return your college's financial aid award letter indicating the awards you are accepting and declining
- Attend college orientation sessions (dates may vary)
- Submit all final community service hours before graduation & continue to apply for scholarships
- Update Bright Futures application with the final college selection if needed
- Register for SAT or ACT, if scores still needed for Bright Futures, etc.; be aware of registration deadlines!
- Attend Pasos al Futuro (College & Financial Aid Meeting in Spanish) various dates during the year see: <https://www.hillsboroughschools.org/domain/2945> for complete schedule

## June/July

- Attend college orientation sessions (dates may vary)
- Continue to apply for scholarships
- Request dual enrollment transcripts from HCC and/or AP scores from College Board to be sent to college you will attend
- Continue to monitor Bright Futures award status
- Register for SAT or ACT in JUNE, if scores still needed for Bright Futures, etc.; be aware of registration deadlines!

# IMPORTANT COLLEGE TERMS

ACCREDITATION: Recognition of a college or university by any of the regional or national accrediting bodies, indicating that the institution as a whole has been judged to be meeting its objectives.

CANDIDATES REPLY DATE: A policy among subscribing institutions that permits students to wait until May 1<sup>st</sup> to choose, without penalty, among offers of admissions/financial aid. (This does not include candidates accepted under Early Decision plan.)

COALITION APPLICATION: A standard application that is accepted by 140 colleges and universities. Some schools will accept the Coalition application in addition to current applications, while other schools will require all students to use the Coalition application.

COMMON APPLICATION: A standard application form that is accepted by about 500 colleges in lieu of their own form. Available at [www.commonapp.org](http://www.commonapp.org). If you are applying to a college that requires the Common Application, you must use this form in order to send transcripts and recommendations electronically.

CSS/FINANCIAL AID PROFILE: A financial aid form produced by the College Board that is required for students seeking aid at approximately 10% of the nation's universities (including most highly selective institutions). Check colleges' websites for requirement information. Available at [www.collegeboard.org](http://www.collegeboard.org).

DEFERRED ADMISSIONS: The practice of some colleges allowing an accepted student to postpone enrollment for one year.

DEFERRED DECISION: The practice of some colleges of holding an applicant's record to review again with the next applicant pool. A student who is deferred is neither accepted nor rejected. Most schools require 1<sup>st</sup> semester senior year grades and allow additional recommendations in the 2<sup>nd</sup> evaluation. Students should contact the admissions office to discuss ways to enhance the application and what should be submitted.

DEMONSTRATED NEED: The difference between the Expected Family Contribution and the total cost of attendance at a particular institution.

EARLY ACTION: An application process that permits students to submit an application to an institution of preference early in the senior year and receive a decision well in advance of the normal response dates in the spring. The candidate is NOT committed to enroll at that institution.

EARLY ADMISSION: Admitting students of superior ability into college courses and programs before they have completed their high school diploma. This type of application must be filed in the junior year.

EARLY DECISION: An application process in which a commitment is made by a student to the institution that, if admitted, the student WILL enroll. Only a student who can make a deliberate and well-reasoned first choice decision should apply early decision.

FAFSA (FREE APPLICATION FOR FEDERAL STUDENT AID): The financial aid form produced by the federal government that is required for nearly all colleges. Students and parents should fill out the form starting October 1<sup>st</sup> at [www.fafsa.gov](http://www.fafsa.gov).

HONORS PROGRAM: Any program offering an opportunity for superior students to enrich their educational experience through independent, advanced, or accelerated study.

# IMPORTANT COLLEGE TERMS

**MODIFIED ROLLING ADMISSIONS:** The practice of institutions to review applicant pools several times throughout the year. The school will post several deadlines and the dates in which those applications will be reviewed

**NCAA INITIAL ELIGIBILITY CERTIFICATION:** In order to participate in intercollegiate sports at NCAA Div. I, II, or III colleges, students-athletes must submit their high school transcript and ACT/SAT scores to the NCAA Initial Eligibility Clearinghouse. When registering for either test, students should enter "9999" as one of their college choices to have test scores sent to the Clearinghouse.

**NEED BLIND ADMISSIONS:** The term that applies to colleges that make decisions without regard to the financial circumstances of the applicants. Colleges with need-blind admissions do not necessarily offer aid to meet the full need of all accepted applicants.

**OPEN ADMISSIONS:** The policy of some colleges of admitting virtually all high school graduates, regardless of academic qualifications such as high school grades and admission test scores. Often times only a high school diploma is required. (Community Colleges generally fall under an open admissions classification.)

**ROLLING ADMISSIONS:** An admissions procedure by which the college considers each application as soon as required materials have been received. The college then notifies each applicant of acceptance or rejection as soon as possible.

**SAT SUBJECT TESTS:** College Board has discontinued subject area tests.

**SELF-HELP AID:** The portion of a financial aid package consisting of loans and wages from a work-study job.

**SAR (STUDENT AID REPORT):** A form sent to families in response to submission of the Free Application for Federal Student Aid that includes the Expected Family Contribution, a figure that may be modified at colleges that use institutional methodology.

**SSAR (Student Self-Reported Academic Record):** An online form required in lieu of an official transcript by UF, FSU, FAU, New College and FL Poly. Students self-report all of their high school and dual enrollment courses completed and currently in progress instead of requesting a transcript to be sent.

**Test Optional:** A term used by institutions that means it is not mandatory for students to submit their SAT and/or ACT scores as a part of their application.

**WAITLIST:** A term used by institutions to describe a process by which they may initially delay offering or denying admissions during the regular decision pool. These students may be considered if space is available after admitted students have indicated whether or not they will attend.

*\*Subject to Change w/o notification*

Expires June 2022  
 v. 8.20.2021

# Financial Aid Checklist

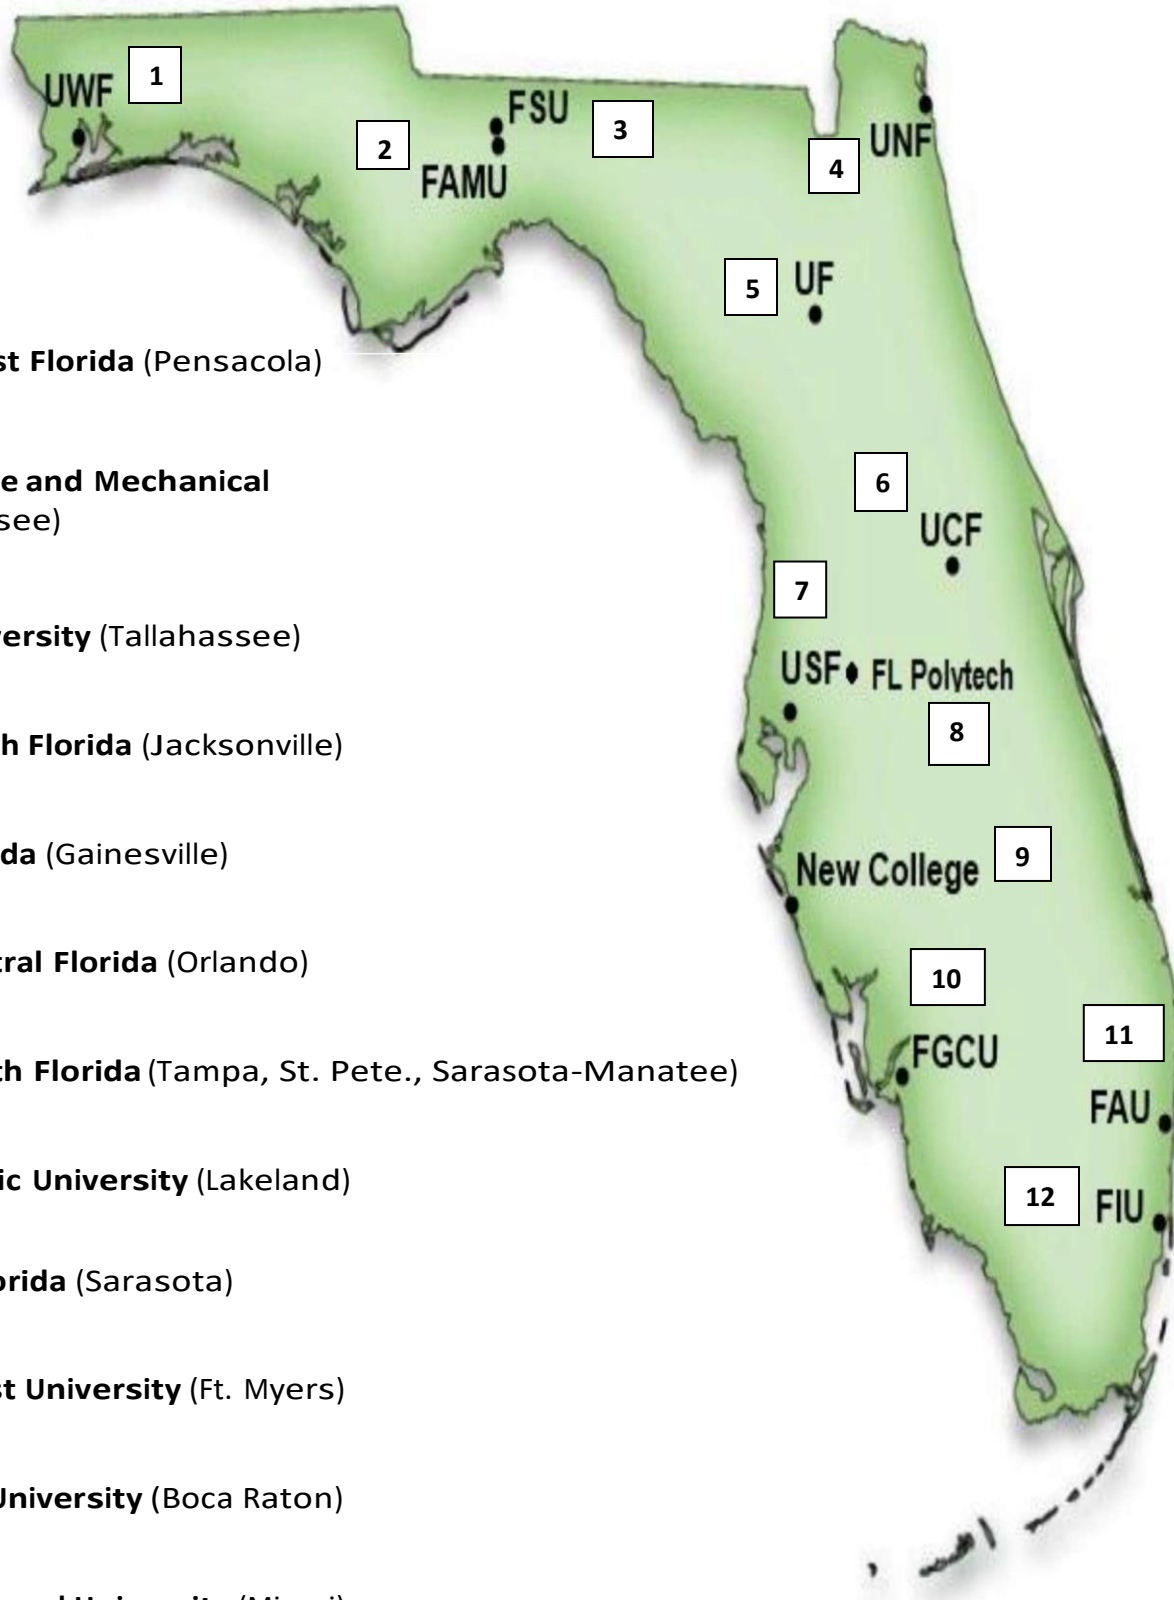

Please read all financial aid documents, materials, and notifications. Financial Aid follows federal regulations through guidelines and procedures. Financial Aid requires students to maintain satisfactory academic progress per the requirements at the postsecondary institution they attend.

✓	Recommended Completion Date	Date Completed	Financial Aid Process
	August		<u>Gather and prepare parent and student tax information</u> for the prior prior year (for students entering college in 2022-23 this will be 2020 taxes).
	September		<u>Register for a student and parent FSA ID.</u> If you are a dependent student, a parent is also required to apply for a PIN. You are considered independent if at the time you complete the FAFSA you are... 1) 24 years of age 2) Married 3) since age 13, if both parents deceased, ward of court or in foster care 4) A veteran of the armed forces 5) Active duty military 6) have children/dependents whom you provide more than half their living expenses. 7) working on master's or doctoral degree 8) emancipated minor or in a legal guardianship as determined by the court system 9) in the last year, unaccompanied youth or homeless as determined by high school or other acceptable government organization
	October		<u>Apply Online <a href="http://www.fafsa.ed.gov">www.fafsa.ed.gov</a></u> Apply after October 1st for the academic year that begins the next August. In order to fill out the FAFSA you will need both your parent(s)' Federal Tax Return forms as well as yours if applicable. Do not forget to put the school codes of the colleges you want to receive your FAFSA.
	December		<u>Follow up with Your Campus Financial Aid Office</u> After submission of your FAFSA to determine what/if any additional documents are required or requested to be submitted in order to meet eligibility
	February		<u>Check your status of Financial Aid Awards</u> You can access this information through your online college accounts generated after you have applied for admissions to the college or by calling the financial aid office.
	March – May		<u>Complete, Sign, and Submit Required Financial Aid Documents</u> Make sure you keep up with all financial aid documents you receive and send. Pay close attention to qualifications, guidelines, and deadlines.
	May – June		<u>Complete Loan Requirements</u> Generally, colleges require you to complete loan counseling. Make sure you sign and submit your Master Promissory Note (MPN) and stay aware of loan guidelines, requirements, and deadlines.
	May - June		<u>Refund or Payment Preference</u> Check with the individual colleges to see how you receive your refund. Generally, you will receive your refund via check by mail, electronic deposit, or through a college generated account or card.

Note: Make sure you keep in constant contact with the college about your financial aid process.

# CAREER EXPLORATION

Many college applications will ask students to choose a major. Finding the right career and getting there is a journey. Check out the following resources to learn about different careers and associated majors based on your personality and interests.

## Tips for career exploration:

Think about what interests you or people you've read about or met who have interesting jobs. Identify potential careers in your areas of interest. Research what skills, classes, and degrees different jobs require. You might discover that you don't like any of the courses needed to complete a college major that would prepare you for one of the jobs on your list.

## Resources for Researching Careers:

### [mycareershines.kuder.com](http://mycareershines.kuder.com)

MyCareerShines is a comprehensive career planning system. You will learn about yourself, discover the many options and opportunities for your future, and gain access to the information and tools to achieve your goals.

### [16personalities.com](http://16personalities.com)

Recent research in careers suggest that personality type has a much greater impact on career satisfaction than was originally thought. Try this "freakishly accurate" quiz to see where you fall.

### [roadtripnation.com/](http://roadtripnation.com/)

Take the career interest profiler or explore different careers with the Career Cluster Finder. The Roadtrip Nation Interview Archive consists of over 5,000 videos on struggle, triumph, and self-discovery that are broken into 48 themes and 29 interests. This is a great way to learn more about topics and careers you may be interested in from thought leaders!

### [self-directed-search.com](http://self-directed-search.com)

Take the "Self-Directed Search"--the most widely used inventory in the world. It's a self-administered, self-scored, and self-interpreted career counseling tool. (\$9.95)

## What's Next?

Once you've researched possible careers and made a list, it's time to take action! Try out these ideas to gain valuable insight into what a day in the careers that interest you looks like.

- Volunteer where you're likely to meet someone who has one of the jobs that interests you.
- Look into a paid or unpaid internship.
- Accompany someone working in that field to see what a day on the job is like.
- Find a mentor who can give you perspective and advice.
- Talk to family members and friends who work in those careers or know others who do.

# HCC INFORMATION

## Steps to apply to HCC:

1. Apply online at [www.hccfl.edu](http://www.hccfl.edu) during second semester of your senior year.  
You need two proofs of residency when filling out the application (i.e. parent's driver's license information, parent's voter registration, or parent's vehicle registration).
2. Submit the FAFSA (Financial Aid) form online at [www.fafsa.gov](http://www.fafsa.gov).
3. Complete the Welcome Orientation.
4. Go to HCC campus or schedule a phone call to meet with an advisor. Have SAT or ACT scores and a copy of your high school transcript with you.  
Students can also take the PERT test at HCC if you do not have SAT or ACT score. Visit <https://www.hccfl.edu/support-services/testing> for specific testing information.
5. Register for classes (on campus or online).
6. Send final transcript to HCC at the end of your senior year.

---

Here are some of the programs available at Hillsborough Community College:

### Associate in Arts Degree

The Associate in Arts degree is designed for students who wish to transfer to a university. It is protected by the Articulation Agreement among all public Florida institutions of higher education. A student who is awarded an Associate in Arts degree by HCC has met the general education requirements for admission to the upper division of public universities.

### Associate in Science Degree

The Associate in Science degree is awarded to students who successfully complete one of the technical programs. These areas of study are designed primarily to prepare students for immediate employment.

Some program titles: Accounting & Business, Architecture & Building Trades, Communications, Counseling, Education, Engineering, Environment, Health & Medical, Hospitality & Culinary, Information Technology, Office Administration, Law & Public Safety, Transportation, Veterinary Technology, and Welding

### College Credit Certificate and Applied Technology Diploma

A College Credit Certificate is awarded for programs of less than two years in selected technical areas. Each of the certified programs is designed to prepare students for entry into a particular field, or to upgrade skills in the field. After completing a certificate program, many students continue studying their specific area and complete requirements for an Associate in Science degree.

# Websites to Know

[www.mynextmove.org](http://www.mynextmove.org)

## Military Sites/ROTC Scholarship Information:

[www.airforce.com](http://www.airforce.com)

[www.army.mil](http://www.army.mil)

[www.uscg.mil](http://www.uscg.mil)

[www.marines.mil](http://www.marines.mil)

[www.navy.mil](http://www.navy.mil)

## Scam Alert!

If you encounter one of these scenarios do not pursue that avenue for college assistance.

- The scholarship is guaranteed or your money back.
- Do NOT give your credit card information or bank account number to hold a scholarship EVER!
- You hear, "We will do all the work for you."
- The scholarship costs money.
- Do not believe, you were selected by a "National Foundation" to receive a scholarship or "You are a finalist in a contest" that you did not enter.
- You get an appointment time to see someone that you did not set.

# NCAA Information

NCAA Eligibility Center Registration – Online [www.eligibilitycenter.org](http://www.eligibilitycenter.org)

Starting in their freshman year, a student athlete should register for a PROFILE PAGE account. The Profile account registration is free, and registered students receive timely update from the Eligibility Center.

By junior year, aspiring Division I or II athletes should complete the CERTIFICATION account. Registration costs \$90 and is required before making an official visit or signing a National Letter of Intent.

## Core Courses: (16)

Sixteen (16) core courses are required (see chart below for subject-area requirements).

- Ten core courses completed before the 7<sup>th</sup> semester; seven of the 10 must be in English, math or science.
- These grades are "locked in" at start of the seventh semester (cannot be repeated for GPA improvement).

## Test Scores: (ACT/SAT)

Normally, students must present a corresponding test score and core-course GPA on the sliding scale. However, NCAA extended its **COVID-19** policies for students who initially enroll fulltime during the 2021-22 and 2022-23 academic years. During these academic years, eligibility will only be based on NCAA core course GPA and core course requirements. Many individual colleges will still require an appropriate SAT/ACT score for admission, so students are advised to take the SAT/ACT and submit their scores to the Eligibility Center. Student who wish to submit scores can enter 9999 during ACT or SAT registration to ensure the testing agency reports your score directly to the NCAA Eligibility Center.

## Core Grade-Point Average:

Only core courses that appear on the high school's List of NCAA Courses on the NCAA Eligibility Center's website ( [www.eligibilitycenter.org](http://www.eligibilitycenter.org) ) will be used to calculate your core-course GPA. Division I core GPA requirement is a **minimum of 2.3**. Division II requires a **minimum of 2.2**.

DIVISION I Core-Course Requirement (16)	DIVISION I Qualifier Requirements *Athletics aid, practice, and competition	DIVISION I Academic Redshirt *Athletics aid and practice (no competition)	DIVISION II Core-Course Requirement (16) [Visit NCAA eligibility center for other Division II requirements/Partial Qualifier Requirements.]
