## Parent & Family Engagement Plan

- Every Title I school, in collaboration with parents, must develop a school parent involvement plan.

  - *A copy of the plan will be on the school's website, in the Parent Information Notebook in the front office, and available for you to take home today.*

# Compact

A written agreement that outlines how the parents, the entire staff and the students will share the responsibility for improved student academic achievement, as well as describes how the school and parents will build and develop a partnership that will help children achieve the state's high standards.
