

Rodgers Middle Magnet School

A Cambridge International School

Rising 6th Grader Info Sheet

To prepare your family for the transition to Rodgers, we recommend exploring the rising 6th-grade portion of our website. You can find it by going to [Hillsboroughschools.org/Rodgers](https://hillsboroughschools.org/Rodgers). Once there, click on the menu, go to resources, and find "Rising 6th Graders."
You can also go to <https://bit.ly/rays6>.

Open House May 17th from 6:30-7:30 pm.

Attend for general information about Rodgers and our 6th-grade programs, including the Cambridge Magnet Program, The Rodgers Honors Institute, the Double Accelerated Math Program, and the Summer Bridge Program. This will also include a campus tour.
Please RSVP at <https://bit.ly/RaysOpenHouse>.

Honors Institute Applications Due May 26th.

This is for academically inclined students who usually get A's and B's on their report cards and score a 3 or higher on the FAST Math and ELA assessments. For questions about this program, please email Thomas.Waistell@hcps.net
Apply at <https://bit.ly/RaysHonors>

Double Accelerated Math Assessment, June 10th at 9 am.

If you are uncertain if your child qualifies for the Double Accelerated Program, please review the information on our website. We will have a list of qualifying students at the May 17th Open House for you to double-check. For questions about this program, please email Stephanie.Jamell@hcps.net.

Summer Bridge is July 17th and 18th from 8-12 pm.

This program will introduce rising 6th-graders to our school. The event will include fun activities and allow students to learn how to navigate middle school. For questions about this program, please email Lauren.Rozier@hcps.net.
RSVP at <https://bit.ly/raysbridge>
