2020-2021 Welcome Message from our Administrators

Dear Broward Elementary Parents/Guardians and Community,

As the proud principal and assistant principal of Broward Elementary School, it is our pleasure to welcome everyone to another great year at Broward. We have missed our scholars filling our classrooms and hallways with love, energy, and excitement for learning. It is our mission at Broward to create a loving community where all staff and scholars show INTEGRITY, DREAM big, gain KNOWLEDGE, and have the COURAGE to succeed! Our staff is prepared and ready for the 2020-2021 school year and any challenges that may come. We are here to continue to support and assist you in any way to ensure we keep our scholars learning and we stay engaged and connected with your entire family. We are excited for all our community partners who continue to assist and support our needs during this unprecedented school year.

Get ready for another amazing school year. Stay informed with all updates and announcements on our school website: <http://broward.mysdhc.org/>, Twitter account: @BrowardElem and Facebook account: Broward Elementary School. We will continue to be responsive to your needs and keep you updated with all school opening details.

It is truly a privilege to be a part of a community where parents, teachers, and scholars strive to build positive relationships that support academic and social growth. Your safety and wellness are our top priority as we continue to work through COVID. Please feel free to contact me at 813-276-5592 or at angela.livingston@sdhc.k12.fl.us. I am always willing and available to assist you in any way needed.
