

What is Kindergarten?

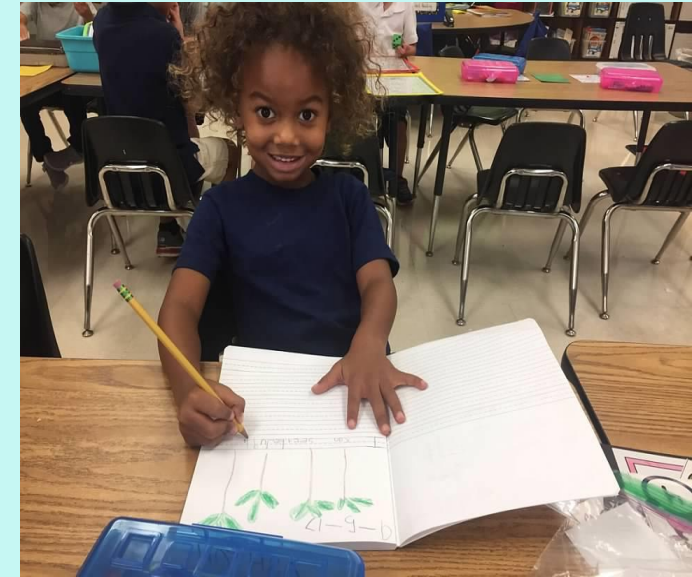

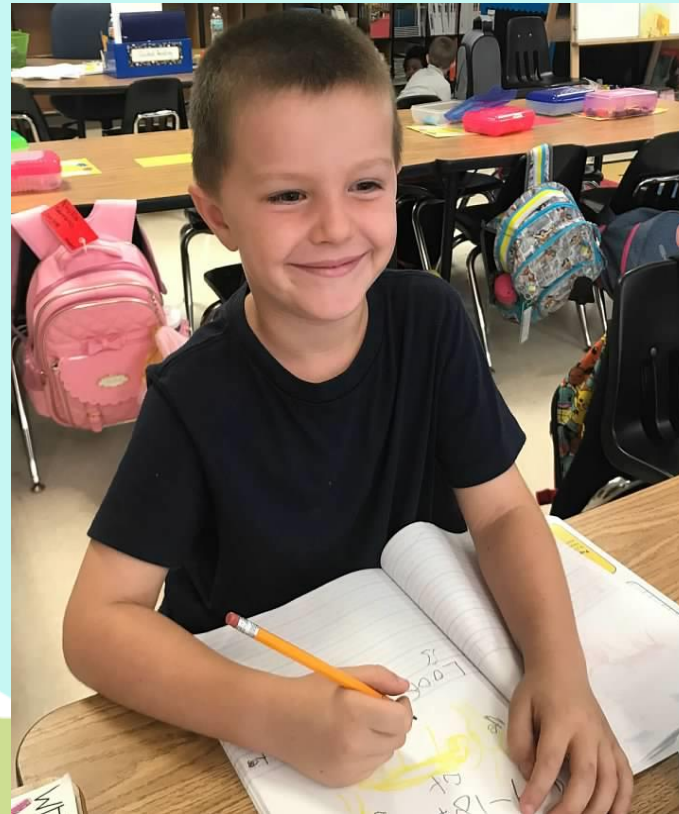

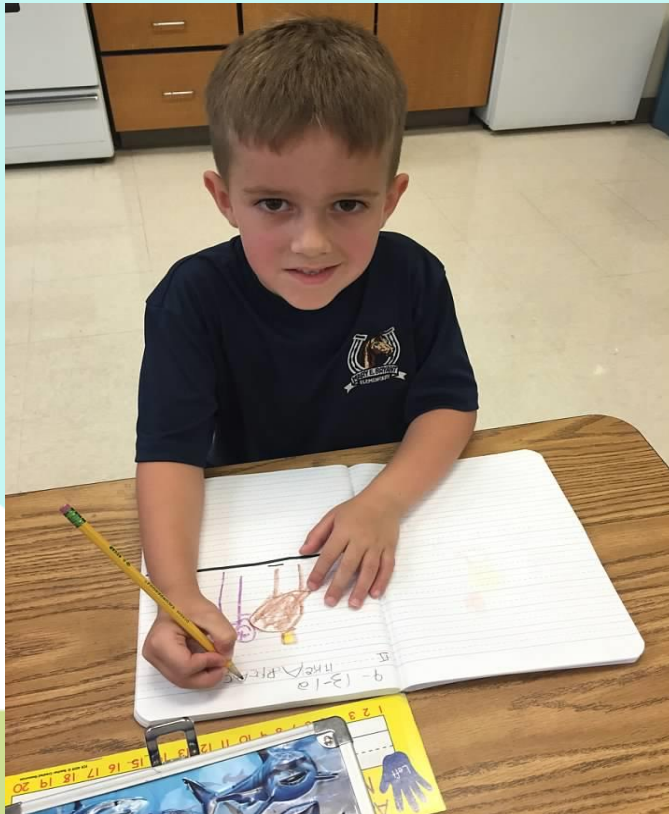

Kindergarten is Reading!

- Students should know all letters and sounds by October so that they can end the year a successful reader.
- Kindergarten reading focuses on accuracy, comprehension and fluency.

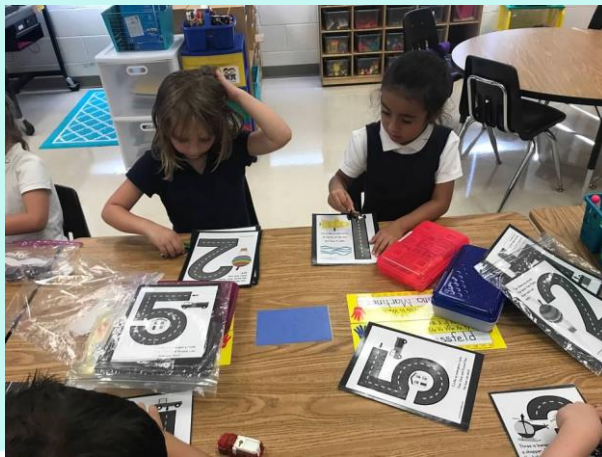

Kindergarten is Writing!

- In Kindergarten we use phonetic spelling and sight words to get our ideas on paper!
- We luv to rit in kindrgrtn.

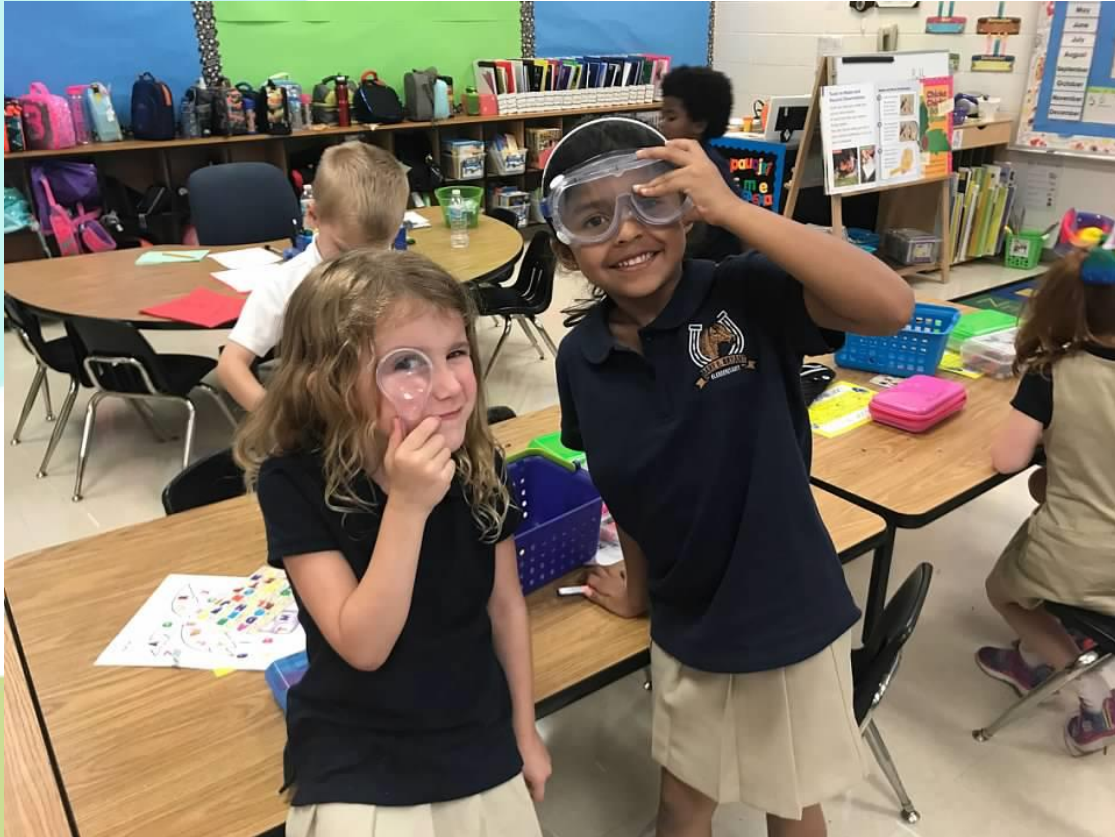

Kindergarten is Math!

- In Kindergarten we use hands on activities to learn our math concepts.
- Kindergarten math includes, number sense, shapes, sorting, addition, subtraction and measurement.

Kindergarten is Science!

Kindergarten is simple hands on science experiments and exploration!

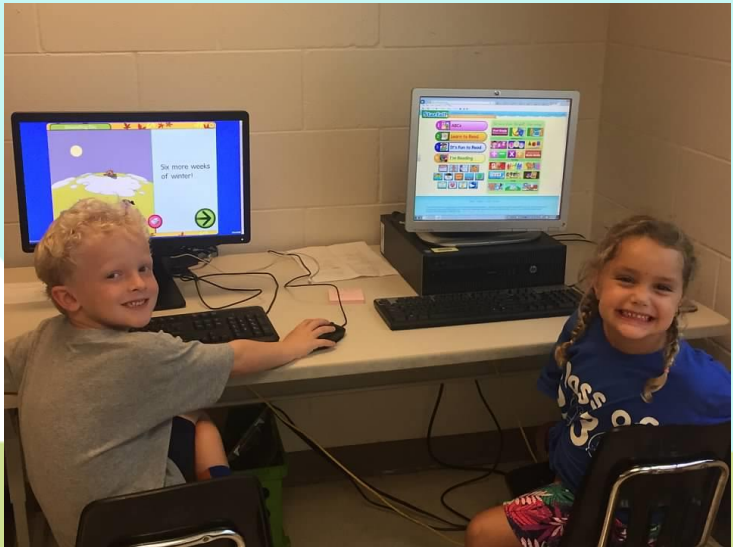

Kindergarten is Building Independence!

How can I help my child become more independent?

- Practice opening lunch containers
- Practice putting on their jacket
- Assign your child specific, age-appropriate, tasks and hold him/her accountable for its completion. Create a job chart together and have the child check off completed tasks.
- Try to build your child's stamina (time on task) with activities.
Example: Look at books for 5 minutes and build up time from there.
- Practice having your child follow two and three step directions.
Example: Fold the clothes and then put them in the dresser. OR.. Pick up your toys, put your clothes away and then meet me at the kitchen table.

Kindergarten is Building Social Skills!

Kindergarten is Parent Volunteers!

Kindergarten is Friendship and Fun!

Our Promise to You!

We promise you everyday your child will learn something new.

Some days they will bring it home in their hands.

Some days they will bring it home in their heads,
and some days they will bring it home in their hearts.

We are looking forward to having you and your child in Kindergarten at Mary Bryant Elementary next school year!
