Please know that we are closely monitoring CDC, State and District Guidelines. The policies and procedures outlined in this Welcome Packet could change due to those guidelines. We will communicate changes as they are made. Thank you for your understanding and flexibility as we do everything we can to be responsive to the needs of the community around us!

Welcome Back!

We are so delighted that you are part of our amazing community, and we welcome and value your positive energy and dedication to excellence in education.

All signs point to another incredible and productive school year. Our skilled and devoted staff is already planning and preparing for your child(ren). Our enthusiastic office team is registering new families, ordering needed materials and updating student files. Our hard working and conscientious custodians have spent the entire last 5 months thoroughly cleaning the facility. And, our much-appreciated PTA is gearing up to welcome families, provide volunteer opportunities, and offer other exciting events and programs.

Facilities Update

If you drove past the school, you may have noticed a few maintenance and construction projects. First, we replaced every light fixture in the school with LED lighting. These new lights are more streamlined and better suited for classroom learning. Also, cameras are being installed around the outside perimeter of campus to increase security measures. We are also expected to begin construction on a PE court covering as well as a new playground for our grades 2-3 students. The office also received a face lift! You'll notice new paint and decorations when you return.

Final Thoughts

We want to reassure you that, as a school and district, we will continue to be responsive to the needs of the community around us, and we will keep our families apprised of any changes. As always, we will keep open lines of communication with you, so please continue to check our Facebook page as well as listen to/read ParentLink messages. Thank you so much for trusting us with your child(ren)'s education as we continue to be Learner's Today, Leader's Tomorrow.
