Virtual Meeting

Question & Answers

Q: My child is already enrolled in Carrollwood's VPK program, will I have to register them for Kindergarten?

A: Yes, you will have to reregister your child for Kindergarten.

Q: Will there be a chance for students to come on to the school campus prior to the first day of school so they can get to know the campus?

A: Yes, prior to the first day of school we will host a kindergarten "meet the teacher." Registered students will be able to visit their assigned teachers' classroom, drop off their supplies and get to tour the campus on this day. Information about "Meet the Teacher" will be sent out to registered students prior to the start of the school year.

Q: Where can I print or pick up a registration packet?

A: You can pick up a registration packet from our front office Monday-Friday any time between 8:00 and 3:30. Or you can print the packet offline from our school's website.

Q: My child will be attending Carrollwood as School Choice student, does the school have a list of those students so I am able to register him?

A: Yes, you can either bring in your acceptance letter or we can look up the approval in the front office.

Question & Answers Continued

Q: My child speaks limited English, are there teachers that can help her with English acquisition?

A: Yes, we have a great ELL (English Language Learner) program at Carrollwood! On the student enrollment form you will indicate if there is a different language that is spoken at home and if English is the primary or secondary language spoken. Based on those answers, our ELL department will assess student English Language proficiency and if the student qualifies for the program they will be able to get additional support in class and small group instruction.

Q: For student uniforms, can student wear plain t-shirts or do they need a collared shirt?

A: Students must wear a collared shirt or polo style top.

Q: When will I be able to get the supply list for next year?

A: Our kindergarten supply list for 2022-2023 can be found on our school website in the registration packet under the “Ready of Kindergarten“ Icon. You will also receive one if you pick up a registration packet from our front office.

Q: Where can I order embroidered uniform shirts?

A: Our PTA will send out ordering information prior to the start of the school year and they will also have ordering information available at “Meet the Teacher.”
