hello
SPRING

In January, students learned about honesty and integrity. Students learned that it is important to always tell the truth and do the right thing even when no one is watching. February has been a month full of love and celebration! Students celebrated black history while also learning about diversity. Our character trait for the month of February is acceptance. We focused on accepting and embracing one another regardless of our differences. The character trait for March is responsibility. We will be learning about being responsible citizens and taking responsibility for our actions.

TESTONI TALKS TESTING

Testing

Owl Families,

Testing season is upon us and I wanted to take this month and provide you with some important information regarding the 2021 Florida Standards Assessment (FSA). The 2021 FSA will be a paper / pencil assessment, administered on campus, for both brick and mortar and e-learning students. The dates for all FSA testing are listed below.

3rd Grade: Reading: April 6th & 7th / Math: May 5th & 6th

4th Grade: Writing: April 6th / Reading: May 3rd & 4th / Math: May 5th & 6th

5th Grade: Writing: April 6th / Reading: May 3rd & 4th / Math: May 5th & 6th / Science: May 12th & 13th

A link was provided by 3rd-5th grade e-learning teachers to gauge interest in e-learning students coming to campus for FSA testing. The link below will take you to a Microsoft Forms Document where you can complete some questions about your e-learning students return to campus for FSA testing. eLearning students returning to campus for FSA will be in separate testing rooms from our currently enrolled brick and mortar students. There will also be times and procedures for e-learning students testing on campus to be picked up after testing has been completed. More information will be released throughout the months of March and April.
