

Let's collect 2,000 Books for students at Cannella!

Did you know that kids who read during the summer gain an average of 1 month of reading proficiency, while others who don't read over the summer lose an average of 2-3 months of proficiency?

The students at Cannella Elementary need your help! Deer Park is teaming up to help them build their personal libraries so they can have plenty of summer reading material!

Brick and Mortar students:

Please bring your new or gently used children's books to your homeroom teacher anytime during the week of **May 3rd – May 7th**. This will give us enough time to quarantine the books before giving them to our students.

E-Learning students: We will have a drop-off option after dismissal on Monday, May 3rd from 2:30-3:30 in the car line or Thursday May 6th from 2:30 – 3:30 PM in the car line. Just drive through and a staff member will be there to accept your donations!

Please do not include textbooks, reference books, books for adults, or religious books.

Thank you for your help!
