

Join the action this summer taking part in the 2023

DEER PARK SUMMER READER CHALLENGE!

Grab your favorite story and read for at least 20 minutes a day. Then mark all your days of reading in June, July and August. **Write the date, name of the book (and pages read if it is a chapter book) and have a parent put their initials at the end of the line.** There are 74 days of summer from May 28th to August 9th. Students who read books on their level at least 54 of the 74 days will be invited to our Summer Reader Celebration after the start of school.

**Give this sheet to your teacher no later than
August 11th, 2023**
