

# The Super Scientist

## STEAM Enrichment Program

Sign up today!

[www.thesuperscientist.com](http://www.thesuperscientist.com)

The Super Scientist is a STEAM, play-based curriculum that was founded to build confident learners and to increase their growing curiosity about the world around them. A Super Scientist is a leader of the next generation.

- Monthly theme-based curriculum
- Class meets after school one day per week for 1-hour
- Limit 20 students per class
- Classes for K-5
- Monthly fees: \$100
- One-time registration fee: \$75.00

Wednesdays  
Starting  
September 11, 2024

We're SUPER excited to work with your scientist!
