

Dear Foster Parents and Community,

Greetings! I am Kim Hayward, your Principal of Foster Elementary School. It is my pleasure to welcome everyone back for another great year at Foster. We are all excited to have students back in our classrooms and hallways filling them with energy and enthusiasm for learning. It is our mission to help every child feel welcome, connected and part of our Foster family.

I am looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that he/she:

- 1) Attend school daily and arrives on time, ready for the day's learning experience
- 2) Completes all assignments given by the teachers
- 3) Follows the rules and expectations while at school
- 4) Shares school experiences with you so that you are aware of his/her school life

It is my goal for this year to improve the relationships between the staff and parents, which will include better communication amongst us. I eagerly anticipate getting to know our students and parents better and learning about your vision and goals for our school. Please visit our website page and Facebook page for information about the school and upcoming events.

I am honored to serve as the principal of Foster Elementary. It is truly a privilege to be part of a community where parents, teachers and students care for each other and strive to build positive relationships that support academic and social growth. Please feel free to contact me at (813) 276-5573 or at [kimberlee.hayward@hcps.net](mailto:kimberlee.hayward@hcps.net).

Once again, welcome back! Let's make it another great year at Foster!

Sincerely,

Kim Hayward  
Foster Principal
