Academy

2021-2022 QUARTER 1 ENRICHMENT DESCRIPTIONS

August 17, 2021 - October 8, 2021, Tuesdays - Fridays 3:30-4:45pm

****Sign up online by 8/14/21****

Enrollment in enrichment academies is based on “**first-come, first-served.**” Students are enrolled in enrichments in the order they sign up online and return their schedule with parent signature. Students are able to select a second and third choice so that they may still participate in an enrichment offering in the event that their first choice is full. Once we begin Q1 enrichments on Sept 17th, students will not be able to switch until Q2.

<p>Strategic Games and Minecraft – Tuesdays, Wednesdays, Thursdays, & Fridays Instructor: Ms. King Do you like competing? Do you enjoy playing games? Do you enjoy a challenging mind game of strategy where you have to outthink your opponent? If so, this enrichment is for you! Come enjoy some friendly competition while games! Connection to Standard LAFS.7.SL.1.1, MAFS.7.EE.2.3</p>	<p>Robotics – Wednesdays and Thursdays Instructor: Ms. Wilkes Robotics for kids is a hands-on and fun way for kids to learn STEM concepts by letting them make and program their own robots. Come with a positive attitude and join in the fun with programming and designing of robots. Connection to Standard CTE-TECED.68.ROBTEC.01</p>	<p>Multi-Sport – Tuesdays, Wednesdays, & Thursdays Instructor: Coach Bess and Ms. Bird Students will rotate between multiple sports and develop the skills to participate in basketball, flag football, and soccer. Connection to Standard PE.7.C.2.9, PE.7.C.2.1, PE.6.M.1.2</p> <p>Run Club – Friday Instructor: Coach Bess Students will learn the fundamentals of running and develop the skills to participate in long and short distance runs. Connection to Standard PE.7.C.2.9, PE.7.C.2.1, PE.6.M.1.2</p>
<p>Indoor Basketball – Fridays Instructor: Mrs. Bird Students will learn the game of basketball by working on drills and playing games. This enrichment is great for any skill level, from beginner to advanced. Connection to Standard PE.7.M.1.1, PE.7.C.2.1, PE.6.R.5.5</p>	<p>Movie Club – Tuesday, Wednesday, Thursday, & Fridays Instructor: Ms. Dillehay, Mr. Wishnow, and Mr. Silva Students will watch films to identify the elements of plot. The films will vary. A signature from the parent for this enrichment is allowing permission for the student to view the films. Connection to Standard LAFS.6.RL.3.7</p>	<p>Golf – Tuesdays & Thursdays Instructor: Mr. Brown Students will learn the fundamentals of golf, its etiquette, and history. Students will also learn how to play while they participate in field trips, attend golf tournaments, and become part of the First Tee of Tampa Bay. The First Tee program’s 9 core values are incorporated into the program. <u>Must complete application packet with Mr. Brown</u> Connection to Standard PE.7.C.2.1, PE.6.R.5.5</p>

Cyber Patriot Club
Tuesdays & Fridays
