Students Taking an AP Course - All students sign & agree to the following terms:

- AP courses are rigorous, college-level courses that are equivalent to 1 semester in college. Students receive an additional .08 on the weighted gpa for completing AP.
- AP courses require intellectual maturity, ability and organization to reach success.
- AP courses require all students to participate in the AP exam in May. Failure to show will result in a **\$40 fee** added to the debt list. No diploma is awarded to students until all debts are cleared. There are no exceptions to this rule per College Board & District policies. If you decide to order a late exam, the fee is **\$45**.
- AP courses require homework not typical in regular or honors classes.
- AP courses will require additional study time not typical in regular or honors classes.
- AP courses often require students to seek out additional resources to be successful. Such things as tutoring, online support, study groups. We do offer an AP support class for students taking an AP course for the first time or those students taking 3 or more AP courses. The class helps students form study groups and strategies to study for success on the advanced placement level.

STUDENT HANDBOOK

The "Student Handbook" will no longer be a usable link. All information accessible through the handbook in the past will now be accessible throughout the district website via navigation menu and search box.

There may be occasions when the administration will make changes in the **Student Code of Conduct**.

Code of conduct can be found at sdhc.k12.fl.us/conduct

DISCIPLINE POLICY

I have read the District Student Handbook regarding student discipline and know that my child is expected to comply. If my child behaves inappropriately at school, I understand that there will be an appropriate disciplinary consequence.

TARDY POLICY

I understand that school starts at 8:30 AM every day.

Any student arriving after 8:30 AM will accumulate a tardy upon entering class. When a student is more than 15 minutes late they must sign-in at the Student Affairs Office.

1. Tardies are counted on a cumulative basis per nine weeks.
2. All students are to be in their classroom-assigned instructional area when the bell rings. There is a warning bell before the tardy bell.
3. Tardies will be computed on a quarterly (nine weeks) basis for all classes.

<u>Tardy # per nine weeks</u>	<u>Consequences</u>
1st- 3th	Verbal Warning Parent or Guardian Notified
4 th	Warning Letter Parent or Guardian Notified
5 th -6 th	2 Days Work Detail Parent/Guardian Notified

- Discipline will be assigned to students who do not follow the rules of the cafeteria.
- Work detail will be assigned to students who do not clean up after themselves and are otherwise unruly in the cafeteria, patio, bus and auditorium areas.

GUIDELINES FOR ADMINISTRATION OF MEDICATION

It is recognized that medications may be essential for some students. When possible, all medications should be administered at home. If medication must be given at school, the following procedures are required:

1. All medications given at school must be U.S. Food and Drug Administration (FDA) approved **for the medical diagnosis**.
 - a. Substances not to be given at school are all unregulated products, such as herbs and food supplements, which are being used as treatments, dietary supplements, or folk remedies.
 - b. No IV access will be started, flushed, maintained, or discontinued in any circumstance. No medications will be permitted via central venous catheter or peripheral intravenous central catheters (PICC lines or central lines) including antineoplastic agents, investigational drugs, total parenteral nutrition (TPN), blood or blood products, emergency medications, or antibiotics.
2. **Oral non-prescription (over-the-counter) or sample drugs** will be dispensed only when accompanied by written orders from a physician, APRN, or PA and must be U.S. Food and Drug Administration (FDA) approved for the medical diagnosis. Students may not carry over-the-counter medications at school.
 - a. Medication is always to remain in the container in which it was purchased and must be unopened when received by the school.
 - b. Written parental authorization is needed for all non-prescription drugs.
 - c. Cough drops will be treated as an over-the-counter medication.
 - d. Possession of drugs of any kind may lead to serious disciplinary action.
3. **No prescription narcotic analgesics** are to be dispensed at school. The side effects make it unsafe for students to attend school while medicated with narcotics.
4. A signed statement by the parent/guardian requesting the administration of medication must accompany all medication. The Parent Authorization for Administration of Medication form must be completed before receipt of the medication.
 - a. New authorization forms will be required when any changes with the orders occur.
 - b. All medication/procedure forms must be updated annually.
5. Medication must be sent to school by a parent/guardian.
 - a. It is not safe for children to deliver medicine to the school.
 - b. This policy prevents safety concerns of lost or stolen medicines, students sharing medicines with friends, and students taking medicine unsupervised.
6. Medication must be in the original prescription container with the: 1) name of drug, 2) date prescribed, 3) dosage prescribed, and 4) time of day to be taken, any special directions, with student's and physician, APRN, or PA names clearly marked.
 - a. Medication must remain in the container in which it was originally dispensed.
 - b. Most pharmacies will provide an extra empty labeled bottle for school for parents if requested when the prescription is filled. A separate prescription bottle should be provided for field trips.
 - c. No more than a month's supply of controlled medication may be brought in at a time.
 - d. All new prescription refills must remain in original container with current expiration date.
7. All medications and/or supplies received must be documented with the parent/guardian, employee, and witness on the Medication and Supply Intake Form (SB 87031).
 - a. The amount and date received are to be recorded.
 - b. The parent/guardian is also required to sign Medication and Supply Intake Form when picking up medication/supplies.

GUIDELINES FOR ADMINISTRATION OF MEDICATION (cont.)

8. The parent/guardian should arrange for a separate supply of medication for the school.
 - a. Medication will not be transported between home and school.
 - i. Exceptions by Florida statutes 1002.20(h)(i)(j)(k) *which require a Parent Self Administration Form and a Physician Self Administration Form for:* asthma inhalers, EpiPens, pancreatic enzyme supplements, and diabetes supplies and equipment.
9. When any medications are added or discontinued, a new authorization form is required.
10. When medication dosages or times are changed, a new signed authorization form with the correct information must be completed and a new label from the pharmacist or physician, APRN, or PA order/prescription indicating the change must be sent to the school.
 - a. A fax is acceptable.
11. Medication will be **stored in a locked cabinet** at the school at all times.
 - a. Exceptions by statutes are asthma inhalers, EpiPens, pancreatic enzyme supplements, and diabetic supplies and equipment. Students who self-carry require a Parent Self Administration Form and a Physician Self Administration Form.
12. Since many students receive medication during school hours, a school district employee designated by the principal will administer medication.
 - a. The designated employee will be trained by the Registered Professional School Nurse as permitted by Florida law. This includes HOST, field trips, and when the student is away from school property on official school business.
 - b. The medication container with pharmacy label/supplies and copies of paperwork will be sent with the trained staff member, agency nurse, or HOST staff personnel. All medications must be signed out and recorded on the Field Trip Medication Sign Out Sheet (SB 86900).
 - c. Under no circumstances may medication be transferred from one container to another by anyone other than Registered Pharmacist with the exception of field trips which must be done by the Registered Nurse. Registered Nurses preparing for field trips should choose one of the following options: send medication in original container or transfer to a medication envelope with a copy of the original medication label attached.
13. Liquid medication will be given in a calibrated measuring device **supplied by the parent**.
14. All medications/supplies must be removed from the school premises **within one week of the expiration date**, upon appropriate notification of medication being discontinued, or at the end of the school year.
 - a. Medications/supplies that are unused and unclaimed will be destroyed following proper disposal procedures.
15. Planning and protocols for any medication or treatment which requires a one-time dosage for a specific intent are the responsibility of the Registered Nurse, ONLY.
16. Non-medicated sunscreen and insect repellent may be administered without a prescription but a parent/guardian authorization form must be completed.

Florida Statute 1006.062 is the reference for the above guidelines.

Questions regarding these procedures should be directed to the Registered Nurse assigned to the school your child attends or to the office of School Health Services, Division of Academic Support and Federal Programs, 273-7020.

De conformidad con la Ley Federal de Derechos Civiles y los reglamentos y políticas de derechos civiles del Departamento de Agricultura de los EE. UU. Las personas con discapacidades que necesiten medios alternativos para la comunicación de la información del programa (por ejemplo, sistema Braille, letras grandes, cintas de audio, lenguaje de señas americano, etc.), deben ponerse en contacto con la agencia (estatal o local) en la que solicitaron los beneficios. STUDENT NUTRITION SERVICES EMERGENCY MEAL POLICY

A written copy of the emergency meal policy will be provided to all households. Every school is required to follow the policy. Students who qualify for a free or a reduced-priced meal can always receive a free lunch (the district waives the .40 cost for the reduced-priced meal). All students regardless of eligibility status can receive a free breakfast. Paid students who forget their lunch money can receive a "charged" meal. To protect the identity of all children at the point of service, SNS uses a prepayment system that limits the exchange of money and prevents the disclosure of a student's eligibility status.

1. Students are allowed to charge for meals when they don't have money. The student will be given the same school lunch that other children are receiving. A La Carte Items can never be charged.
2. Parents of students who charge one meal will be notified by phone, after their child has received the meal. The parent will be encouraged to quickly pay for this meal and reminded of the policy.
3. Parents of students who continue to charge will receive notification in writing which will encourage the parent to pay off their charges.
4. If a student continues to come to school with no packed lunch or lunch money, attempts will be made to discuss the issue with the parent and to encourage them to complete a meal benefit application.
5. Any time there is an uncollected balance on a child's meal account, the child will be prevented from purchasing A La Carte items.
6. Any unpaid balance on a child's account will be carried over from year to year.
7. The parent is responsible for all uncollected meal balances which must be paid, prior to graduation.

NORMAS PARA LAS COMIDAS DE EMERGENCIA DE LOS SERVICIOS DE NUTRICIÓN ESTUDIANTIL

Se proporcionará una copia de las normas de comidas de emergencia a todas las familias. A todas las escuelas se les exige que acaten estas normas. Los estudiantes que califican para obtener almuerzo gratis o a precio reducido siempre podrán recibir almuerzo gratis, (el distrito les exonerará los 40 centavos del almuerzo). Todos los estudiantes, independientemente de su elegibilidad, pueden recibir desayuno gratis. Los estudiantes que pagan el precio completo y se les olvida traer el dinero, pueden recibir comida “fiada”. Para proteger la identidad de todos los estudiantes en el momento de servirles, el Servicio de Nutrición Estudiantil (SNS) utiliza un sistema de prepago que limita el intercambio de dinero y evita que se exponga el estado de elegibilidad del estudiante.

1. A los estudiantes se les permite cargar a la cuenta por las comidas cuando no tienen dinero. Se les proveerá el mismo almuerzo que los demás niños reciben. No se fiarán los artículos a la carta.
2. A los padres se les notificará por teléfono después que el estudiante haya cargado el almuerzo y lo haya recibido. Se les exhortará a los padres que paguen inmediatamente por el almuerzo y se les enfatizará sobre las normas.
3. Los padres de los estudiantes que continúen cargando comidas a la cuenta, recibirán una notificación escrita, para exhortarlos a que paguen los cargos.
4. Si un estudiante continúa viniendo a la escuela sin su almuerzo o sin dinero para pagarlo, haremos el propósito de discutir el asunto con los padres y les exhortaremos a que llenen una solicitud de beneficios para comidas.
5. Si el estudiante tiene un estado de cuenta negativo, no se le permitirá comprar artículos a la carta.
6. Los cargos no pagados se seguirán reflejando en la cuenta del estudiante en los años subsiguientes.
7. Los padres son responsables del estado de cuenta negativo el cual deberá pagar antes de la graduación.
