

Logging in for Students Who Used District Log In in Previous Year

1. Students who used district programs last year should log in to the computer with their username (lunch #) and password they created.
2. If your password does not work, log in to the computer with this log-in:
User name: *hcpsstudent* Password: *school*

It will open this screen:

Student Connection

Hillsborough County
PUBLIC SCHOOLS
Preparing Students for Life

Don't enter student number or password.

Continue Cancel

5A.If you see this screen, **STOP**.

- Mrs. Matthews will need to reset your password for you.
- Raise your hand for Mrs. Matthews's help.

5B.Otherwise, you will see the screen that follows (with a security question you set up) for step 6.

6. Answer the question and click Submit. If the answer does not work, try it with caps or non-caps. Is your answer misspelled?

If it is still not the correct answer, click

[Try Another Question](#)

There are a total of three questions that you may answer to get to the next screen.

If you cannot answer any of the questions, with multiple attempts and variations, please raise your hand for Mrs. Matthews's help.

What is your favorite holiday?

Answer:

[Submit](#)

Change Password

Choose a password you have not used before. It must be between 8 and 12 characters in length and contain at least one alphabetic and one numeric character.

New password:

Retype new password:

Show Password:

Change Password

9. For your new password, a suggestion is to **use your student number and first and last initials (lower case, no spaces)**. Write down your new password on the slip and **MEMORIZE** it.

10. If you have entered a valid new password, you will receive the message.

Password successfully updated.

Please click here to continue.

11. Close the screen and log out of the computer. Now, log into the computer, using your new log in.
