# BACK TO SCHOOL

## 2020-2021

---

Welcome to the new school year! I, along with our Wildcat staff, are ready to welcome our returning and new Wildcats into a safe environment while establishing some new routines within a familiar school structure. Whether we return with face-to-face instruction or eLearning, we are ready for a dynamic year of learning and ensuring student achievement for your child.

Students will notice changes in the traffic patterns around school, additional spacing in classrooms and the cafeteria, increased opportunity and direction on hand washing, the use of mouth coverings and increased sanitation throughout the day. But something that will remain the same are the bright and caring eyes of all our staff because of the welcoming smiles we have for our students.

Please know we value your input about our school. We have reviewed parent surveys from last Spring and see that parent link calls/texts, Wilson PTA Facebook, and Twitter pages have been helpful in keeping parents up-to-date with information. We will continue to use these methods of communication. This year we are also launching a new school website. I encourage you to use this as an additional source of information. As a school and as a district we will continue to be responsive to the needs of the community around us. Please use the above mentioned platforms to keep apprised of changes. Most importantly, know your Wilson school family is ready and waiting to welcome, encourage and teach our students.

With Wildcat Pride,  
Mrs. Forcucci  
Principal
