Lisa Hendricks, Site Administrator

Let's Celebrate this year! WE are so excited to have our students back on campus with us. Our goals for our students include increasing their communication levels and engagement in the classrooms. WE have lots of fun activities planned for our students!

There will be monthly celebrations and dress up days we want everyone to participate. Please read through the first day packet. Papers on the **RIGHT** side need to be **SIGNED** and **RETURNED**.

THANK YOU...THANK YOU...THANK YOU!!

Our campus is SO beautiful thanks to the very hard working Annette Pierce! Nevaeh's Nana worked tirelessly over the summer in the heat planting, trimming and cleaning up the grounds. We appreciate all of her time!

She secured many donations from local Nurseries. We also appreciate Frank Cummings owner of the Plant City Car Wash for purchasing a pressure washer for us. The playground was cleaned and all the sidewalks. Come walk our grounds and see all the beautiful, blooming flowers.

Attendance is Important!

We want our students at school everyday and on time. If your child is sick or has an appointment, please call 813-757-9462 ext. 450 to be excused. If you have a regularly scheduled therapy sessions, please contact, Lynn in the office to be excused.
