This letter will assign your child to his/her new teacher and classroom. You do NOT need to come to school to register your child. On the first day of school that your child returns, we will send home materials for you to read and update. Upon the return of these papers, the registration process will be complete.

When you look at the address label on the postcard that came to your home, addressed to each student, you will see an eight-digit number in the upper right-hand corner. Match this number with the number below and you will be able to identify your child's grade, teacher, and room number. Please understand that due to uncertainties/ever-changing circumstances, placement is tentative and subject to change as necessary.

Continue to check the Hammond website for updated information on policies and procedures for the upcoming school year.
