

Hammond PTA's **Change for a Change!**

Small "change" can make a BIG difference!

Students in our **community** need our help.
Each year Hammond partners with a local school to
help provide food for students during Spring Break.
Here's how you can help!

1. Ask family and friends to search:

2. Put the coins in change buckets in your classroom for two weeks: 1/17 – 1/27.

3. Learn how helping others in our community is what Hammond Elementary is all about!

The PTA will collect the money, purchase food and deliver the bags to
Foster Elementary.

We can do this, Wolf Cubs!
