## A Message from our Principal

Hello Heritage Bobcats!

I am excited to share the iReady progress that your kids have made this year. As you know, iReady is a very important piece of our curriculum that your students engage with weekly. Your kids take 3 diagnostic assessments each year. We are excited to share that 73% of our students met or exceeded their typical growth goals from fall to winter on their reading diagnostic. This is amazing progress. Their dedication and hard work is really paying off! If you haven't seen your child's individual growth report, reach out to their teacher. We are so proud of everyone's achievements!

Remember, it is important that iReady be accessed 45 minutes a week for reading and 45 minutes a week for math. Please consult your child's teacher to determine if your child is meeting these goals at school or if they need to be practicing at home.

### Login Information

You need access to a computer and internet  
You will need to access the program using Google Chrome  
Log in to [clever.com](http://clever.com)

Once there, your child will login with:

UN: lunch # (also known as student ID#)

PW: heritage4321 or 1234567a

If you have any questions about iReady, please do not hesitate to contact your child's teacher. You can also learn more about iReady by visiting [iReadyCentral.com/FamilyCenter](http://iReadyCentral.com/FamilyCenter). There are fantastic family and eLearning resources on this website.

## Media Center News:

We are excited to announce that beginning Tuesday, February 23rd, the Heritage Elementary School library will be open for our eLearning students. Kids are invited to come onto campus and check out books Tuesday through Friday from 7:45am – 1:30pm. Parents can drop students off at the front patio and wait in cars while the kids visit the library. All students will need to enter through the front office and will be required to wear a mask.

We can't wait to see you in the Media Center!

Mrs. Velez and Mrs. Andrews

## Black History Month!

Black History Month is an annual celebration of African-American achievements. Each school within Hillsborough County will be celebrating Black History Month throughout February in various creative ways. Here at Heritage your child was assigned a project in myON titled **2021 African American Books**. This project is filled with fiction and nonfiction books your child can read in honor of this special month. MyON can be found in your child's Clever account. Check it out!!
