11:25 Dismissal- Have a safe and restful summer!

A Message from our Principal

Bobcat Families,

WOW! What an amazing school year! I am so proud of each student and our community! We have worked together for the common goal of student learning! Thank you for being an essential member of the bobcat team!

I hope that each of you has a wonderful summer enjoying a relaxed schedule and spending time together as a family! I encourage you to help your child find some time each day to read something that they enjoy! Please see the fun reading opportunities attached to this newsletter!

Mark Your calendar! **The 22-23 school starts on August 10.**

Our annual **Meet the Teacher event will be on August 8 from 4:45 to 6:45 pm.**

Next year our before and after school childcare provider will be the YMCA. The YMCA will manage the program each day from our school cafeteria. Please see the attached flyer to secure your space now!

Thank you for your continued support! We are so fortunate to be a part of an great community.

Mary Booth, Principal

Please see the attached School Supply list and Uniform information for the 22-23 school year! Thanks for your help!

As you clean out your closets this summer, please consider donating gently used school uniforms to our school. We will keep some items for emergency use in the school clinic and provide items to families in need.

iReady is available this summer through June 30!

i-Ready is an online, interactive learning environment designed to assess students in Reading and Math, and then provide individualized instruction based on each student's unique needs. The i-Ready experience builds students' investment in their learning by giving them real-time feedback on their progress in each skill. Please support your child's learning by having them **log on 45 minutes a week for reading and math.**

You can also learn more about i-Ready by visiting i-ReadyCentral.com/FamilyCenter

Make READING a priority this summer! Unfortunately, the *summer slide* is a real thing. According to the Northwest Evaluation Association, school-year gains in reading and math may decrease as much as 20% to 50% during the summer months. We are so fortunate to have an amazing **public library** right in our community. The library currently is open from 10am-9pm M-F and 10am-6pm on Saturday. The library also has 24/7 access to eBooks, eAudiobooks, eMagazines, and many more avenues for reading and learning. You can take an entire bookshelf of titles with you everywhere you go. All HCPS students already have access to the public library resources through Haal Pass. Just use your student number and 4321 as the pin. Be sure to check out online virtual visits with popular authors and enroll in the reading challenges and contests at www.hcplc.org/Summer.

Did you know that you can check out books and use the public library's online resources with just your student number?

Try it today! Use 4321 as the pin.
