A Message from our Assistant Principal

Bobcat Families,

It is hard to believe we are already in the second nine weeks of instruction for the school year. Report cards for the first nine weeks will be available for parents to view online on November 1st. We have shared with our students that the second nine weeks is another opportunity to start fresh with new goals and to continue working hard every day. We hope you’ll encourage your children to always do their best.

We have started “Take Home Tuesday” again this year, so be on the lookout for assignments, tests, or projects to come home on Tuesday for your child to share with you. The idea behind Take Home Tuesday is for the children to take some ownership of their learning when sharing the assignment, what they did in class, and what they were expected to do on the work they are sharing with you. It’s a great opportunity for you and your child to discuss what learning is taking place at school.

We are now able to accept limited **volunteers on campus**. At this time volunteers must be providing a service to the school such as assisting in the office, classroom, or media center. Anyone wishing to volunteer at the school must first complete the district’s volunteer background screening found on the school district’s website. Unfortunately we aren’t able to invite parents on campus to walk students to class or join students for lunch just yet, but we will let you know as soon as you are able to come spend time with your child on campus.

Fall is one of the best times on a school campus because of events like the Book Parade, the Book Fair, and the Fall Festival- and we are happy to announce that all of these will be happening at the end of October. The school’s Book Fair will be October 25th - October 29th. The school’s Fall Festival will be on October 28th from 4:30-7:30 pm. The Book Parade will be held on October 29th. Please be on the lookout for more information about each of these events.

If you missed the Fall Conference Night,
Please contact your child's teacher to set
up a conference. Thank you!
