

# COMING SOON...AMC 8!

## What is the AMC 8?

The AMC 8 is a 25-question, 40-minute, multiple choice examination in middle school math designed to promote the development of problem-solving skills. The AMC 8 provides an opportunity for middle school students to develop positive attitudes towards analytical thinking and mathematics that can assist in future careers. Students apply classroom learned skills to unique problem-solving challenges in a low-stress and friendly environment.

## Who?

Any Williams IB Middle Magnet School students that are interested.

## When?

January 20, 2022 from 6:00 to 7:00 PM

## Where?

This competition will be virtual! You will participate from home and be proctored remotely.

## How?

The cost is \$8 per student (cash or check made payable to Williams). Complete the information below and turn it in to Mrs. Menendez in Room 219 **no later than Wednesday, December 8**. Once registered, you will receive further details.

---

My son/daughter may participate in the AMC 8 on January 20 from 6-7 PM. He/She will have computer and internet access at that time.
