

Welcome Back from Mrs. Savino, Principal

Dear Longhorn Community,

Welcome to the 2021-2022 school year! If you are new to Lennard, we are so excited to welcome you to our Longhorn family! At Lennard High School, we are committed to establishing a school culture conducive to all students excelling in the classroom as well as in their extracurricular activities. It is our goal for all students who enter Lennard High School to be College and Career Ready and prepared to graduate with their cohort.

Communication both to and from school is critical to the success of our students. We will continue to use our Parent link phone system, Canvas, and our school's website to share information with our students and their families. I will also continue to utilize my Longhorn Weekly on Sunday evenings to inform all of our families of our important updates for the upcoming week. The Parentlink automated phone messaging system will call the number you have listed with the school district as your home number. I will be sending the first Parentlink on Sunday evening, August 8, at 6:30 pm. You will also receive an email with the same message for you to reference. If you do not receive this message, please contact Mrs. Tiffany Meredith, our data processor, via email at tiffany.meredith@hcps.net to make sure we have the correct number and email address on file.

We are so excited to work together with all of our parents/guardians to ensure that each of our students thrive and succeed at Lennard High School. We welcome all of you to get involved by joining our PTSA, School Advisory Committee, our many Booster Clubs, and by volunteering at our events. There are so many ways to get involved; we hope you can find the time. I encourage all of you to get involved in your child's education so together we can celebrate his/her success!

My administration team, faculty, and staff are excited to welcome all of you to another school year! If you have any questions or need assistance at any time, please contact me or my staff at 813.641.5411. We look forward to working with all of you as your children embark on another year in their educational journey.

*Kind Regards,
Denise Savino
Principal*
