

Parent School Partnership

As a parent, how can I better navigate the school system?

What are my rights and responsibilities as a parent in the school system?

How can I communicate effectively and overcome barriers that prevent me from participating in my child's education?

These questions and more will be answered through a series of trainings led by Hillsborough County Public Schools Family & Community Engagement (FACE) Department.

The workshop series will be virtual, and we will discuss the following topics:

Navigating the public educational system

Parental educational rights & responsibilities

Supreme court cases impacting education such as: Brown vs. Board of Education, Lau vs. Board of Education, etc....

How to advocate for your child's educational needs

How to get involved through technology

School, district, and school board structures

College & Career Readiness

Virtual sessions will be conducted twice a week, Tuesdays & Thursdays

January 16, 2024- February 13, 2024 (6:00-7:30 pm)
