

Junior Civitan Presents:

Caught You Caring!

What is Caught You Caring?

The Caught You Caring Campaign is a program designed to show appreciation to staff members who help build our community through their everyday actions. Educators, administrators, cafeteria staff, custodial staff, and other support personnel regularly do more than is expected of them, yet they are rarely recognized for these efforts. In fact, many of these extraordinary people do not realize that they have exceeded expectations. Caught You Caring is a way to recognize these efforts in a meaningful way.

How does it work?

Staff members, parents, students, and others will have access to the Caught You Caring cards. These cards will be placed in three locations around the school. One will be available for parents in the front office. The two others will be conveniently located near the sign in binders in the office and the media center. Anyone who wants to can fill out a Caught You Caring slip and put it in one of the Caught You Caring boxes. The boxes will be collected by the Junior Civitan Club, and the slips will be put into staff mailboxes or delivered to the intended recipient in an alternate manner if the recipient does not have a mailbox. This program will begin on September 18 and will run throughout the school year.

<i>Caught You Caring!</i> <small>Your dedication does not go unnoticed.</small>
