Lutz K-8 School

Lutz Families,

The Lutz K-8 Agricultural Department is seeking donations of items to assist with their growing program. This school year they have already seen the addition of chickens to the livestock area and are planning on more animals to join this area in the future. To properly shelter, care for, and feed these animals, the agriculture program is looking for donations of the following items.

Please contact Mr. Manelli at gregory.manelli@hcps.net with questions or inquiries on how to help

** new or gently used (in good condition) items accepted
