

HVK12 Elementary Spanish Courses

Learning Spanish has never been so much fun! Kids in our **online** Elementary Spanish classes learn Spanish through interactive games, songs, stories, videos and different forms of practice activities.

HVK12 offers a suite of online Elementary Spanish courses. The courses are based on proficiency level rather than grade level. Each level of Spanish builds on the previous level and is set in a new and exciting Spanish speaking country.

Students will begin with the Introductory level to ensure a smooth transition of content.

Optional online Live Lessons with the course instructor are offered weekly.
