Helpful hints for Middle School Students:

1. Do not bring all your supplies on "Meet the Teacher" Day. Please bring only homeroom supplies to the homeroom teacher.
2. Do not bring all your supplies on the first day. There will be an overabundance of supplies and not all teachers will need everything that first day. Please bring general supplies and/or homeroom supplies only. Every teacher will go over their supply list on the first day and the expected day to bring them. This will keep your students load a lot lighter.
3. These supplies are basic requirements. Each teacher may request additional items throughout the year.
4. Please replenish general and homeroom supplies as the year progresses.
