

THOMPSON ELEMENTARY PBIS

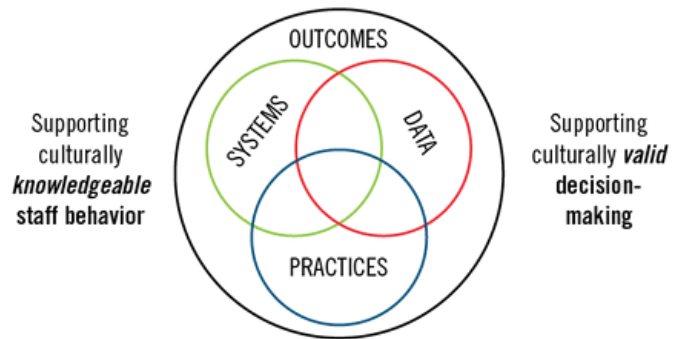

POSITIVE BEHAVIOR INTERVENTIONS & SUPPORTS

WHAT IS PBIS?

PBIS is "an approach to behavior support that includes an ongoing process of research-based assessment, intervention and data-based decision making focused on building social and other functional competencies, creating supportive contexts, and preventing the occurrence of problem behaviors."

-Kincaid, Dunlap, Kern, Lane, Bambara, Brown, Fox and Knoster, 2016

Supporting culturally relevant academic, behavior, social, and life skills for all students

Supporting culturally *relevant* evidence-based interventions
