

Tampa Palms Elementary Supply List- On Campus Learners

2020-2021

Due to current safety guidelines, families WILL NOT drop off multiple quantities of supply items to be stored in the classroom. However, it may be helpful to purchase all of the listed items during the back to school sales and keep the extras at home until your child needs to replenish any of his/her supplies. Students will NOT be sharing supplies. It is important that your learner have his/her own supplies to reduce the spread of germs. **All students are asked to have 2 pencil boxes/pouches at school.** Your student will place basic supplies such as pencils, crayons, scissors, & glue stick in one of the pencil boxes/pouches with his/her name written in permanent marker on the box/pouch. The other pencil box/pouch will be used for other learning tools provided by the teacher. Students will take their supply box/pouch with them if they travel to other classes (AGP, Art, Music).

Supplies such as folders, compositions books, and spiral notebooks will be kept in the student's desk or chair pouch. **All students will need a book bag. Please avoid wheelie bags.** More details will be provided by the classroom teacher.
