Dear Parent:

The safety of students is the number one priority of the Transportation Department. Students living two or more miles from the assigned school and exceptional education students with specialized transportation need to qualify for transportation services according to state statute. Students living within two miles may qualify for transportation due to hazardous walking conditions as defined by the State.

Students who are eligible for pupil transportation services are assigned to a specific bus and stop. Students must use the bus stop of record that coincides with their residence and are not authorized to ride other buses. Parent notes authorizing a student to ride a different bus are not accepted. Requests due to a family hardship or emergency situation must be submitted to a school administrator for approval by the principal and the General Director of Transportation or designee.

If a student boards at an unauthorized stop or on an unauthorized bus, the driver will notify a school administrator who will contact the parent. If the student continues unauthorized boarding, a disciplinary referral will be submitted to the school administration.
