

Dear Families,

You are the most important people in your child's life, and we want to ensure that you have the opportunity to shape their school experiences.

We're asking that you participate in our 15-minute **FAMILY SURVEY** that will help our school improve our communication, academic programming, and overall experience for you and your child. [The survey will close on Friday March 22nd, 2024](https://tntp.co1.qualtrics.com/jfe/form/SV_4ZqfhMnS7GUOgrs)

The **FAMILY SURVEY** is designed to help us understand your experiences with our school and gain insight on how we can engage with you more effectively. Together we can create the best learning environment possible for your child.

We are working with TNTP to conduct the survey. Responses will be **anonymous** and only used to inform future family engagement strategies. Families should only complete one survey per child. If you have children at more than one school, please complete the survey for each school at which you have a child. If you have multiple children at one school, answer the questions with your eldest child in mind.

If you have any questions about the survey, please contact us at Amanda.Kovach@hcps.net
Thank you in advance for taking the time to share your feedback. We value your input and look forward to working with you more closely in the future to ensure a great learning experience for your child.

Sincerely,

Ms. Rothenbush
