

## PBIS Rewards Family App Access

To: Parent/Guardian of Symmes Elementary Students

From: SYMMES ELEMENTARY

Our School is using PBIS Rewards to help us with our PBIS program. PBIS Rewards is a technology-based PBIS Management System that helps us with our behavior incentive program. You can learn about PBIS Rewards at their website ([www.pbisrewards.com](http://www.pbisrewards.com)). Our students can earn rewards throughout the day by meeting our behavior expectations. These rewards are in the form of electronic points. They can redeem these points for privileges, tangible items, access to events, and other similar things.

PBIS Rewards has a Family App that will give you some insight into how your child is doing with respect to our PBIS program. The Family App will run on most smart devices, including smartphones and tablets. You can find it in the iPhone/iPad App Store, Google Play, and the Amazon App Store. Just search for "PBIS Rewards Family." Students are also able to view points by accessing the App through Clever.

Once you have installed the app, you can scan the QR Code below. You will have to confirm your relationship to STUDENT NAME by certifying that you are a parent or guardian. Once you have done this you will be able to see STUDENT NAME's progress with PBIS Rewards.

[PBIS Rewards - Parent Education Video - YouTube](#) For additional information on YouTube

At this time, Symmes is not using the Message and Referral Options on the app.

We encourage you to talk with your student about what they must do to be successful with PBIS Rewards and to encourage them when you see them being successful.

If you have additional questions, please contact either Karen Fuentes or Amanda Kovach to assist. Thank you!

Sincerely,  
Karen Fuentes, Assistant Principal  
Symmes Elementary
