   Student drop off and pick-up are in the south parking lot of the school (the same parking lot as the bus ramp). The location for student drop-off and pick-up before and after school hours is NOT in front of the school. With the amount of traffic in the neighborhood, dropping off and picking up your child in the front of the school is a huge safety issue. Please adhere to the protocol of dropping off and picking up your child in the correct and appropriate safe location.

5. **Can my child drive to school and how does he/she get a parking permit?**

   Students may purchase a parking permit for $20 using My Payments Plus: [https://mypaymentsplus.com/welcome](https://mypaymentsplus.com/welcome)

   - Shirts must be of appropriate type/length—no midriffs showing or tube-tops (shirts must cover the entire stomach & back area)

   - Pants must be worn at waist level
   - No sleepwear (pajama shorts, pajama pants, pajama shoes, and bonnets)
   - Gentlemen: no tank-tops allowed

7. **When does my child eat lunch? Does my child(ren) need to know their student number and why is it necessary?**

   Students will eat lunch during 3rd, 4th, or 5th period each day. All students will need to know their student number, which is a unique 7-digit number assigned by the district that is essential lunch, testing, utilizing the media center, athletics, student services, and much more. If the student attended elementary and/or middle school in Hillsborough County, the student number is the same. Parents may find their child’s student number at the top of their child’s schedule next to their first and last name.
8. Can my child order lunch from outside restaurants or vendors? Can I deliver lunch, birthday balloons, flowers, etc. to my child?

For the safety and security of all students, in short, the answer is NO! We do not accept any deliveries. School lunch is available to all students or students may bring their own lunch. Students may NOT order food and have it delivered to the school. Items will be held by the administration, pending parent pick-up. In addition, students may NOT leave campus for lunch; such behavior will be subject to disciplinary action.

There is no specific supply list. Teachers will have their supply list available in their classroom during open house. However, at the minimum, all students need to have paper and pen/pencil each day of the school year.

There will be bus routes posted around campus (student affairs office, student services office, gymnasium, and cafeteria) during open house and throughout the school year. You may visit the website below to identify your child’s bus route number and location: https://webquery.sdhc.k12.fl.us/livewq/webquery/

It is our goal for all students to have a bus pass by the end of the first day; if students need a bus pass, they will have the opportunity to complete a Bus Pass Request Form during lunch. Bus passes will be delivered at the end of the day. A bus pass is not required to get on the bus in the morning, but it is required to ride the bus in the afternoon (if a student is riding the bus home for the first time). New students arriving after the first week of school may go to the Office of Student Affairs to receive a bus pass.

11. How does my child get a schedule change—including changing electives?

Due to class sizes, **schedule changes will be limited**. Requests for changes are after seniority first, then subject to graduation requirements. Counselors will review schedules and make necessary changes during the second week of school (August 15-18, 2023). School counselors will review requests after seniority, and make changes if applicable. Students will receive a new schedule if requests are granted. **There are no schedule changes after August 18, 2023.**
