

FLORIDA ASSESSMENT OF STUDENT THINKING (FAST)

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards throughout the school year. The results from PM3 will show how well your student has mastered the grade level content standards. The FAST assessments are computer adaptive. Each student will see different questions and the questions will get less or more difficult depending on how a student responds. Sample are available at <https://flfast.org/families.html>.

How can parents help their children?

- *Students should get a good night's sleep before test days.
- *Be sure your students eat a healthy breakfast on test days.
- *Be at school on time. Testing will begin by 9:00AM on test days.
- *Students should wear their glasses, if applicable.
- *Avoid appointments on test days. Students must finish once they begin.
- *Express confidence to your child, that they will test well.

Shore Elementary Spring 2025 Assessment Schedule
