

Hello Shore Families!

My name is Michelle Pryor, and I am honored and excited to be appointed as your new Principal. I began my career in Hillsborough in 2010 as a classroom teacher at Metropolitan Ministries, Roland Park, and at Miles Elementary where I served in the role of a resource teacher. In 2018, I was appointed an assistant principal and led schools as AP at Yates Elementary, Forest Hills Elementary, and for the last four years, at Muller Elementary Magnet School.

As a leader, I value removing barriers, while embedding the arts, to foster the growth of students to reach their highest potential. I look forward to building relationships with the Shore Community as we begin our journey together.

Thank you,

*Michelle Pryor*

Shore Elementary Magnet Principal
