

# BETH SHIELDS MIDDLE SCHOOL NEWSLETTER

July 7, 2020

Hello "Sailfish Families" I hope that you are enjoying a relaxing, healthy, and safe summer. As we reflect on the last school year, clearly the 2019-2020 school year did not go as planned but we survived due to relying on each other for support and being resilient.

Nonetheless, we are anxiously preparing for the upcoming 2020-2021 school year and will be very vigilant in ensuring that our year will be a journey of success! Our theme for the 2020-2021 school year is: "Charting the Course to an "A"! As we chart the course towards academic achievement, it is imperative that we remain flexible as we move closer to the school opening date of August 10, 2020. I am committed to remaining transparent as we receive direction from Superintendent Davis as we adhere to the directives given by the Governor of Florida. At our school site, we will be proactive in ensuring that everyone practices social distancing, washes their hands frequently, and follows the guidelines for safety as expressed by the Centers for Disease Control. As we remain diligent with the fight against Covid-19 we will communicate frequently and quickly when provided with pertinent information that will affect our school to our "Sailfish Family." Therefore, we ask that you update your contact information immediately by calling (813) 672-5338 during the hours of 8:30 a.m. to 5:00 p.m.

Please take a few minutes to review our newsletter you will find pertinent information regarding Open House, uniforms, immunization, and other significant information that will ensure that your child is ready for the upcoming 2020-2021 school year! As always remain "Shields Strong" ....See you on August 10, 2020~ Principal Carr

## ~Our Vision~

At Beth Shields Middle School we will meet our students needs by offering an equitable education to ALL our students as we ensure student success each and everyday! Thereby being committed to closing the achievement gap and ensuring that all students are productive, respectful citizens that are college and/or career bound.

## UNIFORMS

Beth Shields Middle School is a mandatory uniform school because it helps to build a positive culture and climate and aids in ensuring student's safety. Kannmar is our uniform vendor for this school year and parents may purchase uniforms online or throughout our curbside service on the following dates.

We will be practicing social distancing for uniform sales therefore we ask that you adhere to the following procedures:

1. Upon arriving to Shields parents will remain their cars and will be handed a shirt order form.
2. Parents will remain in their cars and complete the order form. They will hand the form to the vendors representative will process the payment, give parents the order, and parents leaves the campus with the merchandise (No one leaves their car).
3. For parents who are unsure of their child's size~ one parent and the child will wait in the car while the vendor's representative places the shirts on the hood of the vehicle. Once the vendor's representative steps back, one adult and child may step out of the car and check the size at the front of the hood of the vehicle. Once size is determined, both adult and child will step back into their vehicle. and once inside the vehicle the parent will complete the order form. Vendor's representative will collect both the form and the "try it" shirts, collect payment and complete transaction.

### Shields Dress for Success!

Monday through Thursday — Students dress in the polo shirt of their grade level designated color. Bottoms are the choice of the student and parent. The bottoms must be appropriately fitting, fingertip length or longer for skirts and shorts and have no holes or rips.

Friday — Students may choose to wear a Shields spirit shirt with the bottoms of their choosing. The bottoms must be appropriately fitting, fingertip length or longer for skirts and shorts and have no holes or rips.

Outerwear — Sweatshirts, jackets and sweaters shall be grade appropriate color with the appropriate polo worn underneath it. Outerwear shall be free of Anime graphics. Hoodies, hats, beanies or blankets are not allowed to be worn on campus.

Shoes — Closed toed shoes, sneakers/tennis shoes and boots are all acceptable. Shoes should be secured at the back. Flip flops, slides or house are not allowed to be worn on campus.

The Shields Dress for Success procedures assists in building a sense of community among our children. New students are able to quickly identify those of their own grade level to help them make connections.

Additionally, this procedure allows for school personnel to quickly scan our students to identify that each person belongs on our campus. This is one way that we work to ensure the safety of our students while on campus.

Beth Shields Middle School is the District's very first Scholar Quest school is designated as a Scholar Quest Program. At Shields, we are

excited to offer our students accelerated course that will broaden their knowledge and building problem solving skills. This program is offered at the sixth grade and extend to eighth grade building a strong academic foundation for high school. Students enrolled in the program will be offered opportunities to receive high school credit courses while in middle school. The following courses will be offered, Algebra, Geometry, Foreign Language, Introduction to Physical Science, and so many other courses. These courses offer and extend learning in new and exciting ways. Our students will experience rigorous content with opportunities to apply knowledge and reasoning skills to solve real world problems.

As the Parent and Community Liaison, let me take this opportunity to welcome you to this new school year 2020-2021 and I am excited to be working with you once again. Shields Middle School is one of the schools in this county that is sheltered under "Title One" umbrella. As a Title One school, we are allocated additional funds to help close the learning deficits for our students. For this new-year, we will experience having more parent trainings and information all related to your child's success. We will find ways to disseminate the information through a variety of ways to make sure that you are informed and connected to what we do here and how you can assist your children at home. We at Shields Middle School take pride in involving our parents in their children's education and so we will work together to make your children achieve their goals. Please free to contact me at: [Mary.Brown-Joseph@sdhc.k12.fl.us](mailto:Mary.Brown-Joseph@sdhc.k12.fl.us) if you have any questions.

I am a Winner, I am a Leader, I am Successful, and I am heading for GREATNESS!

## Immunizations

### All Students Must Be In Compliance by August 10, 2020 in order to start school!

#### HILLSBOROUGH COUNTY PUBLIC SCHOOLS DIVISION OF ACADEMIC SUPPORT AND FEDERAL PROGRAMS SCHOOL HEALTH SERVICES

##### IMMUNIZATION REQUIREMENTS FOR ENTRY INTO FLORIDA STATE SCHOOLS 7<sup>th</sup> – 12<sup>th</sup> GRADES - **Tdap**

The Florida Law is requiring that students entering seventh through twelfth-grades receive a very specific form of the "Tetanus" vaccine. This vaccine is referred to as the **Tdap** (Combined Tetanus, Diphtheria and Pertussis Vaccines). This requirement is in addition to the previous immunization requirements that are grade-appropriate. Recommendations for provision of the Tdap vaccine are in accordance with the recommendations of the Advisory Committee on Immunization Practices (ACIP).

Documentation from the student's health care provider should specify that the student has gotten the Tdap vaccine on the Florida Certificate of Immunization (680 form). If documentation does not specify the Tdap vaccine, the parent/guardian will be asked to return the form to the health care provider for clarification.

Students who cannot receive the vaccine due to medical contraindications must present a permanent medical exemption from the medical provider on the Florida Certificate of Immunization (680 form).

Three additional vaccines are not mandated, but parents are encouraged to discuss them with their child's physician. These are: the meningococcal meningitis vaccine, Hepatitis A series, and the HPV vaccine series (now approved for both males and females).

If you have Private Health Insurance or Medicaid, contact your Physician or Health Care Provider. If you do not have Private Health Insurance or Medicaid contact the Florida Department of Health, Hillsborough County Immunization Clinic for further information.

##### REQUISITOS DE VACUNAS PARA INGRESAR A LAS ESCUELAS EN EL ESTADO DE FLORIDA 7.º – 12.º GRADOS - **Tdap**

El Departamento de Salud de Florida requiere que los estudiantes que ingresan a las escuelas entre el séptimo y el duodécimo grado, reciban una vacuna específica contra el "tétano". Esta vacuna se conoce como **Tdap** (combinación de vacunas contra el tétano, la difteria y la tos ferina). Este es un requisito más de vacunación además de los ya pedidos con anterioridad, los cuales son adecuados para el grado en que se encuentran los estudiantes. La vacuna **Tdap** se puede administrar a los estudiantes que tengan 10 años o más. Las recomendaciones para suministrar la vacuna **Tdap** están de acuerdo con las provistas por el Comité Asesor sobre las Prácticas de Vacunaciones (ACIP).

La documentación proveniente del médico o proveedor de cuidados de salud del estudiante, deberá especificar que él ha recibido la vacuna **Tdap**, haciendo uso del Certificado de Inmunizaciones de Florida (Formulario 680). Si la documentación no especifica la vacuna **Tdap**, se les pedirá a los padres o al guardián legal, que retorne el formulario al proveedor de cuidados de salud o médico para que lo clarifiquen.

Los estudiantes para quienes la aplicación de esta vacuna esta medicamente contraindicada, deberán presentar una exención médica permanente expedida por su proveedor de cuidados médicos, y haciendo uso del Certificado de Vacunaciones de Florida (Formulario 680).

Hay tres vacunas adicionales que no son obligatorias, pero se les recomienda a los padres que las discutan con el médico de su hijo. Dichas vacunas son: la vacuna contra la meningitis meningocócica, la serie contra la Hepatitis A, y la serie contra el virus del papiloma humano (HPV). (La vacuna HPV ya está aprobada tanto para hombres como para mujeres).

Si usted tiene un seguro de salud privado o *Medicaid*, comuníquese con su médico o proveedor de cuidados de salud para hacer una cita. Si usted no tiene seguro de salud privado o *Medicaid*, llame al Departamento de Salud de Florida, Clínica de Vacunaciones del Condado de Hillsborough, para recibir mayor información.

## Administration/Instructional Leaders

**Brad Brooks | Assistant Principal for Curriculum and School Epic Center Site**

Welcome to the 2020-2021 school year! I began my career here in Hillsborough County and will be entering into my 16th year with the District. I taught 8 years of 7/8 grade Science and am now entering my 8th year as an administrator (fourth at Shields MS). I obtained my B.A. from

Ohio University in Middle Childhood Education (concentrations in Science & Social Studies). I then went on to earn my M.A. in Educational Leadership from The University of South Florida. I am excited to continue to bring a proactive and team focused work-ethic to Shields MS to ensure WE ALL continue our student-driven approach to education.

**Theresah Williams | Assistant Principal for Administration and 8th Grade**

Greetings and salutations, welcome to what's going to be amazing 2020-2021 school year. It is my honor to formally introduce myself. My name is Theresa Williams your Assistant Principal of Administrations and 8th Grade AP. I've been with the Hillsborough Country School dis-

trict for 23 years ,15 years as an administrator and 2 years at Shields . I am a graduate of the Illustrious Florida Agricultural & Mechanical University and the University of South Florida. I firmly believed, that "kids don't care how much you know, until they know how much you care." I live by this vision as an educator, and it is my duty to serve you. I look forward to what this year has in store. We're going to be "Charting the Course to an A." Please feel free to reach my anytime at :

**Miriam Duran | Assistant Principal for Student Affairs | 7th Grade**

I began my career as an English teacher in Philadelphia, PA in 1998 where I worked at a bilingual middle school, the same middle school where I completed my student teaching. In 2004, I relocated to Florida to help open up Shields. Prior to assuming my role

as an administrator, I devoted 22 years to classroom teaching in a variety of grades and levels within middle schools and high schools. I hold a Bachelor of Arts in Secondary Education from LaSalle University, a Master of Education from Gratz College, and an Educational Leadership degree from National Louis University. I aspire to guide students and teachers in developing the skills to achieve maximum potential. This year, we will continue to concentrate on the processes that spur continuing advancement: evaluating what we have, determining what we can do to improve, and identifying what we need to make those improvements.

## Our Academic Coaches

**Instructional/Math Coach: Cheryl Ferrell**

Greetings! Welcome to the 2020-2021 School year! I am excited to be at Shields for the second year as the Math Coach. My name is Mrs. Cheryl Ferrell and I have over 30 years of experience as a math teacher, math coach, and district math coach. My experiences teaching math range from traditional to magnet, urban to suburban, and middle/junior high school. Also, I have taught gifted, regular/advanced, and Algebra in the grades sixth through eighth. I am a graduate of Florida State University and Nova Southeastern University. I am a native

Floridian moving from Chipley Florida to Tampa in 1989. I look forward to an amazing 2020-2021 school year. Contact Information: [cheryl.ferrell@sdhc.k12.fl.us](mailto:cheryl.ferrell@sdhc.k12.fl.us)

**Reading Coach: Jennifer Addis**

Greetings! Welcome to another fabulous year at Shields Middle School. My name is Jennifer Addis and I am proud to introduce myself as the Reading Instructional Coach at Shields. My 23 years in education has awarded me the opportunity to serve students from grades 1-6 with a focus and passion in promoting literacy across disciplines. Although I am a native New Yorker, I moved to Florida in 1991 and attended the University of South Florida, where I earned my Bachelor's Degree in Education and then pursued my Reading Endorsement. My goal

is to build capacity among teachers, so we can meet the needs of our students by demonstrating best practices in daily instruction. I look forward to a successful 2020-2021 school year ~Contact information: [jennifer.addis@sdhc.k12.fl.us](mailto:jennifer.addis@sdhc.k12.fl.us)

**ELA/Writing Coach: Philomina Exceus**

Welcome to the 2020-2021 school year at Shields Middle School. It is with great pleasure and enthusiasm that I take this time to introduce myself to you. My name is Mrs. Philomina Exceus and I graduated from the University of South Florida where I obtained my Bachelor's Degree in Education with a concentration in English. I have been granted the great opportunity to continue with my 15 year of teaching at Shields as the Writing Coach /Subject Area Leader and 8th grade ELA Teacher.

**Science Coach: Karen Johnson**

Hello and welcome! I am thrilled to enter my 5th year at Shields Middle School and 32nd year as part of HCPS. Growing up locally, I graduated from East Bay High School, received a B.S. Degree in Education from the University of South Florida and hold a Master's Degree in Educational Leadership and Administration. My passion is to connect learners, through science concepts, to the world around them – to be a part of it, not apart from it. I will be supporting our students and teachers as the Academic Coach, Subject Area Leader and 8th grade Science

teacher. My name is **Ms. Karen Johnson** and am always happy to support you in any way that I can. Please feel free to contact me at

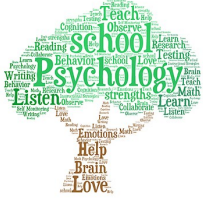

**Social Studies SAL/Coach: Brian Nickel**

Hello and welcome to another great year at Shields Middle School! My name is Brian Nickel and I am excited to serve as the Social Studies SAL/Coach. I graduated from the University of Florida with a B.A. in Anthropology which has given me a deep love for history that I get to share with the students at Shields. Through social studies, we strive to empower our students to read, write, and think critically by analyzing the past and learning how we can shape the future. If you have any questions, I can be contacted at [brian.nickel@sdhc.k12.fl.us](mailto:brian.nickel@sdhc.k12.fl.us) and (813) 358-8821.

#### **Migrant Advocates**

Migrant Education Program Shields Team is made up of two Certified Teachers: Silvia Valdovinos and Marisol Montoya. Mrs. Valdovinos has been with Hillsborough County Schools 14 years and Mrs. Montoya 20 years. The Migrant Education Program (MEP) works with students and families who migrate out of the county or state within a 3 year cycle due to economic hardship in search of employment in agriculture. When tomatoes, strawberry, or bell pepper(etc.) season is over in our area and work ceases, families will pick and travel up north in search of work for the next seasonal crop. It is very common for these students to migrate before the school year is over or arrive late to Shields MS. This vulnerable population are at a disadvantage, Mrs. Montoya and Mrs. Valdovinos are here at Shields MS to help bridge that gap between the MEP students and traditional students. Always happy to help! For more information, please contact the school at (813)672-5338 ext. 400.

El Equipo de Shields del Programa del Migrantes está compuesto por dos Maestras Certificadas: Silvia Valdovinos y Marisol Montoya. La Sra. Valdovinos ha estado en el Condado Escolar de Hillsborough 14 años y la Sra. Montoya 20 años. El Programa del Migrante (MEP) trabaja con estudiantes y familias que migran fuera del condado o estado dentro de un ciclo de 3 años debido a dificultades económicas en busca de empleo en la agricultura. Cuando la temporada de tomates, fresas o pimientos (etc.) termina en nuestra área y el trabajo cesa, las familias recogerán y viajarán hacia el norte en busca de trabajo para la próxima cosecha de temporada. Es muy común que estos estudiantes migren antes de que termine el año escolar o lleguen tarde a Shields MS. Esta población vulnerable está en desventaja, la Sra. Montoya y la Sra. Valdovinos están aquí en Shields MS para ayudar y poner a corriente a estos estudiantes del MEP. Siempre feliz de ayudar! Para mas informacion, comuniquese a La escuela al (813) 672-5338 ext. 400.

**Jennifer Tate and Roxanne Vaughn~** Everyone has their own idea what a School Health Nurse really does but the nurses at Shields Middle School run one of the busiest Health Clinic's in the county seeing over 500 students monthly. Nurse Vaughn and Nurse Tate care for students with physical, emotional, and social health problems. They communicate with students and parents to provide the best care to ensure students have the best opportunity to learn. But this only one part of their job. Annually, they conduct over 600 health screenings in compliance with state guidelines. They review immunization compliance ensuring students are properly protected against common childhood diseases. They also work with the school staff ensuring an AED Response Team is fully trained and ready to respond if an emergency should arise. They look out for the welfare of the students and staff alike making Shields Middle School a safe and healthy place to be. They are also required to complete continuing annual training and to keep an active professional license. They are a part of a professional team of over 350 nurses county-wide that provide these services to Hillsborough County students. So, it is not only about the bumps and bruises or the headaches and stomach aches. Nurse Vaughn and Nurse Tate run a busy clinic caring for all the students of Shields Middle School.
