Hi Friends and Families of Sessums Elementary, My name is Mrs. Roll. I am a School Counselor at Sessums Elementary. I started my career in education over 20 years ago. I lived in NY for ten years. During that time, I had my two daughters and when my older daughter was 4 years old, I had the opportunity to go to college. I consider that one of my greatest achievements. I started my teaching career in 1997 and taught for approximately 10 years. August of 2006, I graduated with my MA in Counseling. In the 2nd nine weeks of that school year, I was hired as a Guidance Counselor at Sessums, the place I call my second home.

I enjoy being outdoors in my yard. My husband, Ken, does a lot of gardening. He is a member of the "Rare Fruit Council." I live on two and half acre so there is much room for him to pursue his hobby. I am blessed to have two daughters, Alanna-31 and Jessica 29, and a wonderful son-in-law, Michael. However, my newest and greatest blessing is my grandson, Dominik.
