Dear Families:

Welcome to the 2021–2022 school year at Seminole Heights Elementary, where Eagles SOAR to New Heights! The Seminole faculty and staff look forward to a wonderful year working with you and your children. We are incredibly excited to have ALL of our students back on campus! While masks are optional, please rest assured knowing that we will continue to be diligent with hand-washing and hard surface sanitization. The best way to keep all our Eagles safe is to surround them with adults who are vaccinated! The majority of our faculty and staff have been vaccinated and we encourage you to help us keep our students healthy by getting vaccinated yourself.

This year we will focus on building SUPER Leaders who SOAR with the 7-Habits. In order to increase student achievement, we will provide opportunities for our SUPER leaders to take ownership over their learning. All of this will be accomplished via our fun superhero theme ☺
