Dear Robles Family:

Welcome back to those returning, and a special welcome to those joining our family. We are excited about rebooting Robles Elementary for this upcoming 23-24 school year. We know change can be difficult, and having a previous way of functioning with now a new way of thinking can be overwhelming. Your participation and voice are essential. You will see a fresh new look to Robles inside and out this year.

Your new administration for the 23-24 school year are visionaries looking to innovate & change the learning environment, increase academic outcomes, and consider the whole child by ensuring equity in our way of work. We desire transparency, honesty, and civility to ensure children thrive. We believe education is a gift; collaboration is a necessity, and respect for the families we serve is critical. We hope you will email, make an appointment, or call us so we can communicate effectively with our most important clientele, you.

Sincerely,

*C. Harris*      *L. Evans*
