

# CANVAS LOGIN HELP

## For Students

Step 1: Visit <https://tinyurl.com/hcpsstudentconnect>

### FIRST TIME USERS

- Enter student number (lunch number, student ID)
- Enter password – the default password is the student's date of birth in the format MMDDYYYY
- Click Log in

**RETURNING USERS** – if you forgot your password, click “Forgot/Reset Password” and enter the identifying information on the next page. Then answer your security question to reset your password. After resetting your password, proceed to Step 3 below.

Student Number:

Password:

Show Password: ☐

[Forgot/Reset Password](#)

**Step 2 (FIRST TIME USERS):** Choose 3 security questions. Then click submit at the bottom of the page. Afterward you will be able to set your password.

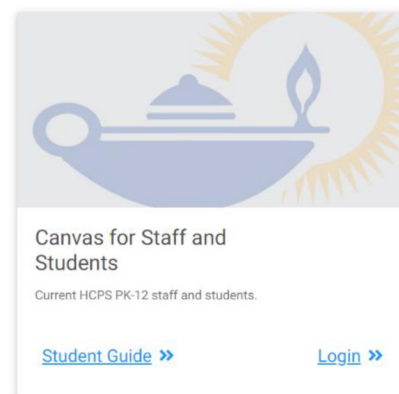

Please choose your three security questions. If you forget your password, we will ask you these questions to allow you to reset it.

Choose answers that you will remember and cannot be easily guessed or researched.

Question 1	
Select Question:	<input type="text" value="-- Please select a question"/>
Answer:	<input type="text"/>
Confirm Answer:	<input type="text"/>

**Step 3:** After resetting your password, visit <https://hcpscanvasproject.azurewebsites.net/>

- Click “Login” on the Canvas for Staff and Students button. Then enter your student number and password.
- **Hint** – The “Student Guide” link has information about how to use Canvas

**Tried the steps and still having password issues?** Please contact your administrator for a password reset:
